Ayer's Cathartic Pills, For all the purposes of a Laxative

Perhaps no one medi-

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but edicient purgative PUL. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have not, know that it cures their neighbors and friends, and all know that it tored them; those who have not, know that what it does once it does always — that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity. They operate by their powerful influence on the internal viscers to purify the blood and stimulate it into healthy action — remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these FULLs rapidly cure:—

For Eyspepase or Ladigesties, Medicales.

minute directions are given in and wispper with box, for the following complaints, which these Pills rapidly cure:

For Byspepain or Endigestien, Listlesses, Languer and Leas of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Billess Headache, Sick Headache, Jamelice or Green Siskness, Billions College Headache, Sick Headache, Jamelice or Green Siskness, Billions College, they should be judiciously taken for each ease, to correct the diseased action or remove the obstructions which cause it.

For Dysensery or Diarrheon, but one mild dose is generally required.

For Elementation, Gout, Gravel, Palpistation of the Heart, Palmin the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Bronsy and Dropsical Swellings they

the system. With such change those complaints disappear.

For Bronsy and Bropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigerates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
