which can be cured by a timely resort to this stand- ard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowl- edged by many prominent physicians to be the most reliable preparation ever in- troduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it sel- dom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Sore- ness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputa- tion, based on its intrinsic virtues, and sustained by its re- markable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor- ruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful anti- dote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disor- ders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipe- las, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ul- cerations of the Uterus, Stomach, and Liver. It also cures other com- plaints, to which it would not seem espe- cially adapted, such as Dropsy, Dyspep- sia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifesta- tions of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless lan- guor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

UNIVERSAL EXHIBITION OF 1868 FIRST-CLASS MEDAL **ALF. LABARRAQUE AND Co** **QUINUM LABARRAQUE** Approved by the Imperial Academy of Medicine The Quinum Labarraque is an eminently tonic and febrifuge Wine, destined to replace all the other preparations of Peruvian Bark. The Bark Wines usually employed immed- icine are prepared from Barks which vary considerably in the degree to which they possess the desired properties. Besides, owing to the manner in which they are pre- pared, these Wines contain scarcely more than the traces of active principles, and these always in variable proportions. The Quinum Labarraque, approved by the Academy of Medicine, constitutes, on the contrary, a medicine of determined com- position, rich in active principles, and on which Physicians and Patients can always rely. The Quinum Labarraque is prescribed with great success for persons of weak con- stitution, or for those debilitated by various exhausting causes or past sickness; for youths fatigued by too rapid growth; for young girls whose development takes place with difficulty; for women in childbirth; and for aged persons enticed by years of illness. It is the best preservative against Fevers. In cases of Chlorosis, Anemia, or Greensick- ness, this Wine is a powerful auxiliary of the ferruginous preparations. In conjunction, for example, with VALLET'S PILLS, the rapidity of its action is really marvellous. Dept in Paris, L. FERRÉ, 49, rue Jacob. General Agents for Canada, **FABRE & GRAVEL,** Montreal.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS. This thoroughly Commercial Establishment is un- der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with. The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what- ever its directors could claim for it, or any of its patrons desire. The Class-rooms, study-halls, dormitory and rec- tory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christ- ian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care. The system of government is mild and paternal, yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory: students of all denom- inations are admitted. The Academic Year commences on the first Mon- day in September and ends in the beginning of July.
