

FROM A LADY, A NEAR RELATIVE OF ONE OF THE LEADING PHYSICIANS IN MONTREAL. New York, Dec. 3, 1863.

Messrs. Langman & Kemp: Gentlemen,—The object of the present letter is to present to you my heartfelt thanks for the great good that your BRISTOL'S SARSAPARILLA has done me. For over six months I had been suffering with a Rheumatism that seemed to extend over my whole body, and which, from the tortures I endured, had reduced me almost to a skeleton. I could not move either my arms or legs, and had to get assistance to enable me to do the smallest household duty.

Taking your advice, I began the use of your Bristol's Sarsaparilla. I was so weak that the smallest doses of it seemed to agitate me very much, but I persevered, and later I could increase the size of the dose. My pains all ceased little by little, and using eight bottles I am about entirely cured. Now I can perform my household duties without assistance, and I cannot too highly recommend your excellent preparation to all those who suffer with Rheumatism.

I am, gentlemen, respectfully yours, FELICITE ORSHEN, 119 Laurens St., New York. Any person who may wish to inquire into the above extraordinary cure, are referred to Doctor Picault, Nos. 60, 62, and 64 Notre Dame Street, Montreal, who is familiar with the facts, and can testify to the truth of every statement. Agents for Montreal, Devins & Bolton, Lamplough & Campbell, A. G. Davidson, K. Campbell & Co., J. Gardner, J. A. Harte, H. R. Gray and Picault & Son.

A MOMENTOUS QUESTION FOR THE SICK!—This vital question, involving the bodily health of tens of thousands, is submitted to all who suffer from dyspepsia, costiveness, bilious complaints, general debility or any other disease originating in the stomach, the liver, or the bowels. Will you persist in drug-ging yourself with drastic mineral purgatives, that weaken, rack, and destroy the internal system, or will you accept certain, swift and permanent relief through the medium of BRISTOL'S SUGAR-COATED PILLS, a vegetable cathartic, which controls disease without depreciating the physical strength, is absolutely painless in its operation, and actually removes that necessity for continual purgation, which all the violent and depleting purgatives create? If you desire to enjoy the blessings of a good appetite, a vigorous digestion, a sound liver, regular excretions, and the mental calm which results from this conjunction of healthful conditions, BRISTOL'S SUGAR-COATED PILLS will realize your wish. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

Victory!—What a cheering, heart stirring word, that implies long struggles, determined action, patient suffering, and ultimate success. A victorious army marching with all the pomp of glittering arms and rolling drums is a glorious sight, but the conqueror of disease, though an obscure soldier, is none the less entitled to our encomiums. Let us then cherish the memory of N. H. Downs, the inventor of the celebrated Balsamic Elixir for coughs and colds. Sold by all Druggists. John F. Henry & Co. MURRAY & LANMAN'S FLORIDA WATER has undoubtedly achieved a success in this country which is without a parallel in the history of the toilet. Its popularity overshadows that of the finest perfumes imported from Germany, France, and England. Nor is this popularity to be attributed to its comparative cheapness so much as to its intrinsic superiority. The fabric impregnated with it exhales the incense of the most odiferous tropical flowers. The fragrance is as fresh as if it flowed from the dew charged blossoms of that land whose spicy atmosphere is alike celebrated by the poet and the historian. Nor is the odor evanescent. On the contrary, it clings to the handkerchief, as if incorporated with its threads. Diluted with water it is admirable as a mouth wash after smoking, and as a counter-irritant after shaving. See that the names of "Murray & Lanman" are upon every wrapper, label, and bottle; without this none is genuine. 191 Agents for Montreal.—Devins & Bolton, Lamplough & Campbell, A. G. Davidson, K. AYER'S SARSAPARILLA.

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:—

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blisters, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c. Syphilis or Venereal Disease is expelled from the system by the prolonged use of this SARSAPARILLA, and the patient is left in comparative health. Female Diseases are cured by Scrofula in the blood, and are often soon cured by this EXTRACT OF SARSAPARILLA. Do not discard this invaluable medicine, because you have been misled upon by something pretending to be Sarsaparilla, while it was not. When you have used AYER'S—then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it. Ayer's Sarsaparilla.

ASTONISHING CURE OF INFLAMMATION OF THE BOWELS.

OF FIFTEEN YEARS STANDING! Messrs. Jones & Evans—Dear Sirs: Restored to health, as I have been, under God, by the use of your invaluable Hoofland's German Bitters, I feel that I owe you this public acknowledgment. About the year 1838, while residing in the city of Baltimore, I was attacked with Inflammation of the Bowels. For some time I paid but little attention to it, supposing it would soon pass off. But the disease grew worse, and I became seriously alarmed of its progress. I now had recourse to medical advice, but without any marked effect. I rapidly lost flesh, and became emaciated to such a degree as to attract the attention of all with whom I came in contact. I cannot attempt to describe the feeling of utter helplessness that almost paralyzed my efforts for fifteen years. At length wearied of life, but still willing, for the sake of my family, to make another effort, I yielded to the advice of my friends, and as an experiment, bought a bottle of your Bitters. To my delightful surprise I felt a change for the better before I had taken half the bottle. I continued its use, and purchased a second bottle, which effected a PERFECT CURE. Five years have passed away, and I have experienced no recurrence of the disease. I am now a resident of this city, and am willing to give all similarly afflicted a statement of my case. Very truly yours, WILLIAM CARISS, 312 Thompson Street, Philada. Jones & Evans, Proprs., 621 Arch St., Philadelphia.

CANADIAN DEFENSES.—We would most respectfully suggest to our "grave and potent Senators" that Canada's best defense is Henry's Vermont Liniment. Let every man fortify his household with a bottle of this valuable remedy against disease and pain, and in this way he defends himself against a greater foe than any human antagonist. Use it for Rheumatism, Neuralgia, toothache, headache, cholera Diarrhoea, and all the pains that flesh is heir to. Warranted to be the best Pain Killer made. Sold by all Druggists. John F. Henry & Co. Proprietors, 303 St. Paul St. Montreal C. E.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced." &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"... I owe much to you, for I verily believe the Plantation Bitters have saved my life. REV. W. H. WAGGONER, Madrid, N. Y."

"... Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use. Thy friend, ASA CURRIN, Philadelphia, Pa."

"... I have been a great sufferer from Dyspepsia and had to abandon preaching. ... The Plantation Bitters have cured me. REV. J. S. CATHORN, Rochester, N. Y."

"... Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house. SYKES, CHADWICK & Co., Proprietors Willard's Hotel, Washington, D. C."

"... I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect. G. W. D. ANDREWS, Superintendent Soldiers' Home, Cincinnati, O."

"... The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business. H. B. KINGSLEY, Cleveland, O."

"... The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm. C. C. MOORE, 254 Broadway."

New Bedford, Mass., Nov. 24, 1863. Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully, JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th Street, N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers." &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck. Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles. Sold by principal dealers throughout the habitable globe. P. H. DRAKE & CO., New York.

N. H. DOWNS' VEGETABLE BALSAMIC ELIXIR.

A CERTIFICATE OF WORTH A MILLION. An Old Physician's Testimony.

READ: Waterbury, Vt. Nov. 24, 1858. Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. Downs' Vegetable Balsamic Elixir.

I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or Cold, for the Croup, Whooping-Cough, & all diseases tending to Consumption, and to the Profession as a reliable article. I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. H. Downs about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe.
