

LUMBER.—All grades are scarce, and in limited supply here. Bill stuff is especially hard to obtain. The prospect is that prices will continue to rule firm in this market, because of the demand for export both east and west. One prominent firm, which controls 75,000,000 feet, has sold the larger part of it already. Prices are as under:—Clear, 1½ and upwards, \$27.00; 1 inch clear and pickings, \$28.00; Flooring, 1½ and 1½, \$13.00; 10 inch and 12 inch stock-dressing, \$14.00 to \$16.00; ditto, common stock, \$12; 1 inch dressing sidings, \$14.00; mill culls, \$6.50 to \$8.00; shipping culls, \$10.00 to \$11.00; 2 inch plank \$11.00 to \$12.00; shingles XXX 16 inch, \$2.60; XX do., \$1.60; lath, \$2.00; scantling 2x6, 2x8, 2x10, 2x12, \$11.50 to \$12.00.

PROVISIONS.—There is a good demand from the retail trade for choice *Butter* which is saleable at 21 to 22c. Receipts of this quality are very light; poor stock is still neglected. Owing to an advance in Liverpool the feeling among holders of *Cheese* is stronger; fine quality is held at 13½c in a jobbing way and at 13c in large lots. *Dried Apples* are dull, prices unchanged. The demand for hog products has been of the usual jobbing nature at unchanged prices. A large demand for bacon (long clear) is anticipated from the North-West, though no orders have yet been placed here. *Eggs* are scarcer and a good deal higher, say 17 to 18c. Receipts of *dressed hogs* have now ceased, those arriving on the farmers' market being only for supplying butchers. The cable quotation for *Cheese* on 28th March was 61/6 and on 3rd April 64/-.

WOOL.—There are no special features worthy of note. Fleece continues still quiet; other kinds show good demand from manufacturers and prices are firm.
