

A heavy burden—all the ills and ailments that only female flesh is heir to. It rests with you whether you carry it or lay it down. You can cure the disorders and derangements that prey upon your sex, with Dr. Pierce's Favorite Prescription. It's a legitimate medicine, carefully compounded by an experienced physician, and adapted to woman's delicate organization.

For all organic displacements and weaknesses, accompanied by weak back, bearing-down sensations, and for all uterine diseases, it's a positive specific. It's guaranteed to give satisfaction, in every case. If it doesn't, you've only to ask for your money and it's cheerfully refunded. If it does, you'll want to ask for the medicine more. It's the cheapest medicine you can use, because you only pay for the good you get. It improves digestion, enriches the blood, invigorates the system, and produces refreshing sleep.

A REMARKABLE STORY

Already famous in Europe, entitled "Four Days," from the Russian of *Garsin* appears in the double summer number of *POET-LORE*—June 15th. It is a vivid picture of a significant episode in the life of a modern soldier. Two short stories of a very different kind follow—"Faded Leaves," and "Green is Hope," translated from the Norse of *Alexander Kielland*. The same number of *POET-LORE* contains a hitherto unpublished letter of *John Ruskin*'s on "Wages"; and critical papers on "Two Versions of the Wandering Jew," by *Prof. R. G. Moulton*; "The Text of Shakespeare," by *Dr. Horace Howard Furness*; "An Inductive Study of 'As You Like It,'" by *C. A. Wurtzburg*; and a "Study Programme: Magic, Out-door and Human Nature in Literature," of practical use to Reading Circles or for the home study of Literature.

A COMPLETE PLAY—"Harold," by the distinguished German dramatist, *Ernst von Wildenbruch*, will be given, translated into English verse, with the author's sanction, in the second double number of *POET-LORE*—Sept. 15th. This drama is on an English theme, is full of action, and is a marked success on the German stage (copyright applied for). A portrait of the author, and a critical and biographical account of him, will also be given.
