

# OIL AND GAS PRODUCTS, RELATED EQUIPMENT AND SERVICES

## ■ **ONS '90 – Offshore Northern Seas Exhibition (National Stand)**

Stavanger, Norway – August 28-31, 1990

### *Offshore Oil and Gas Equipment*

Held every second year, in 1988 this exhibition for the offshore oil and gas industry attracted 775 exhibitors and 27 600 visitors. The oil industry is Norway's major source of revenue and this sector is a priority for export promotion activities. Geared specifically towards the North Sea market, the exhibition resulted in 12-month projected sales estimated at \$12.6 million in 1988. Twelve Canadian companies are expected to participate in 1990.

## ■ **S.M.M. '90 (Information Booth)**

Hamburg, F.R.G. – September 25-29, 1990

### *Shipping and Marine Technology*

Held every second year, the International Shipping and Marine Technology Market with Congress will feature a presentation of goods and services for shipping,
