Dear Mr. Ambassador:

I have the honor of referring to the recent decision to repatriate the Rotary Wing Aviation Unit ("RWAU") contributed by your Government, and to discussions on amending the Terms of Participation annexed to the Exchange of Notes of 28 June 1985 (the "Participation Agreement") together with the related Exchange of Notes with respect thereto dated March 18, 1986 (hereafter together referred to as the "Terms of Participation"), to reflect this decision and provide for Canada's continuing participation in the Multinational Force and Observers.

The MFO wishes here to record its gratitude for the provision of this Unit, and to note with appreciation the dedicated service the RWAU has rendered to the MFO for the past four years. As I have previously communicated, I am relieved that this decision addresses a mutual interest, and that what might have been a very painful cost-savings measure has occurred in an environment in which your Government finds its own resources strained to meet other important peacekeeping commitments.
