(d) No final conclusions or recommendations have yet been reached. The studies are part of a detailed socio-economic impact assessment on the use of leaded gasoline which has not been completed. Environment Canada has not yet received the results of all the studies, and the results of those studies which have already been received are now being reviewed by Environment Canada.

(e) No actions will be recommended until the completion of the socio-economic impact assessment.

[English]

**Mr. Smith:** I ask, Madam Speaker, that the remaining questions be allowed to stand.

**Madam Speaker:** The questions enumerated by the Parliamentary Secretary have been answered. Shall the remaining questions stand?

**Some Hon. Members:** Agreed.

**Mr. Murphy:** Madam Speaker, a couple of times now I have asked the Parliamentary Secretary to the President of the Privy Council for an answer to my question related to the Public Service Bill which is in committee today. I have been assured that I would be getting that information; I have been
