

(a) Candidates must promise by a witnessed writing to teach three years in some rural elementary⁽¹⁾ school in the Province of Quebec;

(b) Candidates must enter into a joint obligation with a parent or guardian to reimburse to the Superintendent of Education the amount of the bursary received should they not, within five years, fulfil their said obligation to teach;

(c) No candidate may receive a bursary for two years; but in case of failure in one year, he may receive the balance of the bursary on the successful completion of his course in a subsequent year;

(d) Candidates for bursaries shall make their application for the same to the Secretary of the Central Board of Examiners when applying for admission to the School for Teachers;

(e) It is further provided that in addition to the payment of the foregoing bursaries, similar bursaries shall be paid to such teachers as, having not signed the required promise to teach, nevertheless have fulfilled the obligation entered into by others to teach three years in some rural school in the Province of Quebec.

(1) The elementary department of an Intermediate or of a High School is not included in this term.
