September 15, 1938

Dear Mr. Campbell,

Upon my return to the University I find yours
of the 12th July and the reprint enclosed, which I note
with interest. I am afraid that I am not an expert on
this matter, nor do I yet know what the Canadian situation
may be, but your article contributes to my education!

Thank you so much.

Sincerely yours,

G. M. Campbell, Esq.,
