HOLY TRINITY, COLLINGWOOD TOWNSHIP

Holy Trinity Mission began at an early date. The late John Taylor gave two acres for Church purposes, and a frame building was erected in 1863

The members of this Church have always been very devoted, and deserve great credit for their splendid work. The Young People's Society has been the active organization to whom the chief credit is due, for the present splendid condition of affairs. Organized on the 16th of March, 1905, it has gone on from strength to strength.

In the latter end of August an organ was installed in the Church at a cost of some \$50.00. Up to this time there had been no music in the Church's services.

In 1906 the Church was bricked and completely renovated at a cost of \$1000.00.

On this Fiftieth Anniversary we thank God for our beautiful Church, and an active and growing congregation.

"The Lord taketh pleasure in them that fear Him, in those that hope in His mercy. Praise ye the Lord."
