In no medicines compounded for organic disorders, are there the same stimulating influences and tonic virtues as are to be found in Wolfe's Schnapps, a distilled spirit which possesses natural ethers of supreme worth where the organs of the body demand a tonic corrective.

It clears and cleanses the liver and kidneys of all impurities, promotes healthy and vigorous action and provides nature with a reserve of vitality. And all this in the form of a refreshing and pleasing drink. Good for both sexes at all times and in all climates.

## VARDON AND RAY SAIL FOR HOME

NEW YORK, Nov. 13.—Harry Vardon

and Edward Ray, the British professional

golfers, who, during the last three months,

have played matches throughout the United

States, sailed for home today on the

steamship Celtic. Speaking of American

amateur golfers, Vardon said:

"We have met the best players America

has had to produce, and Chick Evans of

Chicago is as good as any I have ever

seen. Quinnet of Massachusetts is the

champion, of course, but while he is a

wonderful player, I don't think he would

have an easy time in Great Britain, as

our courses are more difficult than those

we played on here."

According to our usual custom, we place on sale today the remainder of the "uncalled-for" and returned C.O.D. Suits, Overcoats and Odd Garments from Hobberlin Agencies and Express Companies. Those who were unable to be waited upon during the excitement of selling on Saturday and Monday last will have an unexampled opportunity to secure these finely tailored-to-measure garments at immense savings from original prices. In the confusion many of the best lines were overlooked, and we find on checking over the remainder, Suits and Overcoats that were made for \$20, \$25 and \$30, also quite a number of the \$35 lines, besides a good selection of Odd Coats, Vests, Trousers, etc.

Your Choice Today, Any Suit, - \$10  
Your Choice Today, Any O'Coat, \$10  
Odd Coats and Vests at \$5.00. Odd Coats, \$3.50  
Odd Trousers, \$2.75. Odd Vests, \$1.00

PLEASE REMEMBER This is the remainder of lines left over from last offering, and while the amount offers splendid value and choice, it is necessarily limited in quantity; but there is not a suit or overcoat worth less than \$20, while many of them are the regular \$25 and \$30 lines, with a fair assortment of the \$35 garments. We would like to state also that our entire stock of nearly 400 heavy-weight overcoats were completely sold out at the last offering, and the lines remaining are medium weights. Comparing Cheviots, Beavers, Fancy Tweeds and Worsters. But prices were from \$20 to \$35. Choice at \$10 for any Overcoat today. While these overcoats are not the real heavy winterweights—you will be able to wear them long into the colder weather, and at the prices offered are real bargains.
