T. Rennie Wins Final Game For Single Rink Championship

District Cup Finals Ordered To Start Tomorrow Morning Midland Runs Up Score 12-3 On Toronto Rowing Club

SINGLE RINK FINAL **GOES AN EXTRA END**

T. Rennie Wins From John Rennie in Game That Produced Many Thrills.

The brothers Rennie, Tom and John, skipping rival rinks of the Granite Club, curied possibly the most sensational final last night on their own ice ever seen anywhere. The match was for the Canada Life Trophy, and championship of Toronto, and the honors went to Tom after an extra round. At ten ends the score was 5 to 5, neither side being able to collect more than singles. Then John falied to guard, and Tom gathered a cluster of three the eleventh. John cameright back with three more, and it was even again. To keep up the excitement, Tom landed another trio, raising out second shot with his sast stone. And then there were more thrills the last end, when Tom sent his guard up to the tee beside his second shot, and John cracked out them both for the fourth three in as many ends.

Umpire Loucen was called upon to measure for third and fourth shots, disaltowing the fourth and ordering an extra end.

measure for third and fourth shots, dis-ahowing the fourth and ordering an ex-tra end. It looked all over when Nichols guarded his own stone on the tee the fifteenth, but C. Dalton drew up beside for shot. Harstone fashed to guard, and then fortune wavered, until Cy Arm-strong rubbed the guard and raised out the shot. Tom Bennie drew to winner with his first stone, and John was nar-row, falling on a long guard, and the game was over.

with his first stone, and John was harrow, falling on a long guard, and the game was over.

The ice was perfect, being Burley's best, and there was a considerable attendance, including several ladies in the gallery. The spectators good-natureditook sides, and cheered their favorites for many skilful shots.

It was ciever and close play, with some misses on both sides and even up between the first three on each side. Jim Meidrum was in top form, and possibly had a shade on Bert Nichols in the eaarly stages. There was little to choose between Charlie Dalton and Ross Harstone, and the same may be said of Art Dalton and Cy Armstrong, the latter, possibly having the edge towards the close, with Tom's vice likely doing the better work, until they began to roll, them up in bunches. John Reinile had a nice chance to count two the second end, but he was wide of the open shot. The many experts present will likely say that Tom shaded his older brother, but the margin was slight, the he, too, wilssed an odd shot, but they'il all forgive him for the accurate draw with his first stone the extra end, when it looked like finished in favor of John, the Tom had one rock left when they shook hands, none the worse friends for their bloodless encounter.

ALL STARS A LUNCH FOR SPEEDY SAINTS

Preston, Hamilton and Toronto Players Beaten Fourteen Goals to One.

The Alf-Star aggregation gathered together to give St. Michaels a game at the Arena last night were the easiest kind of picking. The Saints ran up the score at will, and at the end it stood 14 to 1.

The visitors were all equipped with strange skates, and as the ice was lightning fast, they had a hard job to stand on their feet in the first half. Preston had three representatives on the team, Hamilton two, Osgoode Hall and Argonauts one each.

Rahn and his famous wrist shot were on the job, but the Preston boy was checked too hard to be effective. Etherington, the Preston centre, was the busiest man for the losers, and his efforts were, much, appreciated by the small crowd. "Mawk" McKenzle was good in spots; while Palmer and Bowman made a good defence. Schlegel of Argos played the first half and did some good rushing.

International League Will Also Ask That Draft Rule Be Abolished, Making Them Rank as Major League-Feds on Way to New York for Conference.

NEW YORK, Feb. 9.—Major and minor league baseball magnates, gathering here for the annual schedule meetings and to consider defensive measures against the Federal League, were astonished to learn today that the leading promoters of the so-called outlaw league were on their way to this city from Chicago, and that none of them had denied that it was their purpose to confer with the big men of organized baseball. All who arrived during the day expressed ignorance of Brooklyn, altho the matter was freely discussed, no action was taken. As an offset to the possible placing of a Federal club in Brooklyn, a tentative plan was made to play the Jersey City Club's schedule in Brooklyn, with the exception of Sunday games, which would be piayed in Jersey City. The management of the Brooklyn Nationals, it was announced was willing to have the week-day games take place at Ebbets field under certain conditions, which were discussed tonight by President Barrow, C. All who arrived during the day expressed ignorance of the object of the impending invasion of the Federal League, and declared that they had no knowledge of any request or invitation for the visit on the part of either American or National League officials. The only solution that these magnates, including Barney Dreyfuss, Charles Ebbets, C. W. Murphy, W. F. Baker and F. J. Navin, could offer was that James A. Glimore, president of the rederals, and Charles H. Weeghman and Wm. M. Waiker, backers of the Chicago reueral Club, desired to propose some peace pact or compromise measure, whereby the Federal League could be recognized or become affiliated with organized baseball. Should this be the object of the trip, the major league clubowners indicated that the trio would be given a frosty reception.

ween's indicated that the trio would be given a frosty reception.

Some Are Mum,

President Murphy of the Chicago Nationals said: "I ceased to worry about the Federal League several weeks ago."

Ebbets and Dreyfuss refused to discuss the position of the Federals in relation to organized baseball, but intimated clearly that, to their minus, the major organization had no reason to fear the Federal League or its backers.

The International League held a four-hour session today, and, after adopting a playing schedule of 154 games, adjourned until tomorrow. The season will begin April 21 and conclude Sept. 27. The opening games were announced as follows: Montreal at Jersey City, Toronto at Providence, Buffalo at Baltimore and Rochester at Newark. The full schedule will be made public Feb. 17.

teams were traveling from Naples to Rome. Mr. Comiskey was indisposed before leaving Naples for Rome, and shortly after the train passed Caserta he was seized with a chill, and grew worse so rapidly that his wife, son and daughter-in-law were greatly alarmed.

It happened that Dr. John Edward Jones, the American consul-general at Genoa, was returning on the same train from an inspection of the consulate at Naples. He hurried to Mr. Comiskey's compartment and found-that he was suffering from an acute attack of indigestion, with marked cardiac symptoms. Dr. Jones gave what assistance he was able and remained beside the Chicago magnate until Rome was reached, and Mr. Comiskey was reported to be in an improved condition and resting comfortably. It is likely that a noted specialist will be called into consultation tomorrow morning.

The journey of the players from Naples, the somewhat marred by the illness of President Comiskey, was nevertheless lively and interesting. On their arrival they were greeted by a representative sent by the American ambassador, Thos. Nelson Page, and great crowds which gathered at the station. Tomorrow the Americans will go sightseeing, and on Wednesday will be received in audlence by the Pope. The same afternoon the teams play at the stadium, and on Friday there will be a second game ct, the stadium. The players will leave for Nice on Saturday.
