## RAISE ENOUGH FUNDS FOR MOTOR AMBULANCE

135 D 31

Canadian Business Women's League Will Present One to Ninety-Fifth Regiment.

The Canadian Business Women's Club held a successful patriotic Chris.mas sale of work yesterday in aid of a motor ambulance and field kitchen for the troops. At the conclusion Lieut. Williams of the 95th announced that the motor ambulance would be presented to members of the 95th Bat:alion today in the McLaughlin salesrooms, corner Church and Richmondstreets.

Miss Menary, president of the club, stated that the business women had collected every cent of the \$1575 which purchased the motor ambulance and as the workers were women who are hard at work all day and have only the evenings to devote to patriotic work it showed a creditable spirit on their part to produce such splendid results. There is a considerable sum already on hand towards the purchase of a field kitchen, and after this the members propose to keep the fund open all winter for other gifts to the soldiers.
