

on the road would be shut up!" and at that word the coachman looked before him with the blank gaze of one who had driven his coach to the outermost edge of the universe, and saw his leaders plunging into the abyss. Still he would soon relapse from the high prophetic strain to the familiar one of narrative. He knew whose the land was wherever he drove; what noblemen had half ruined themselves by gambling; who made handsome returns of rent; and who was at daggers drawn with his eldest son. He perhaps remembered the fathers of actual baronets, and knew stories of their extravagant or stingy housekeeping; whom they had married, whom they had horsewhipped, whether they were particular about preserving their game, and whether they had had much to do with canal companies. That was a distinction which had "turned up" in latter times, and along with it the paradox, very puzzling to the coachman's mind, that there were men of old family and large estate who voted for the Bill. He did not grapple with the paradox; he let it pass, with all the discreetness of an experienced theologian or learned scholiast, preferring to point his whip at some object which could raise no questions.

No such paradox troubled our coachman when, leaving the town of Treby Magna behind him, he drove between the hedges for a mile or so, crossed the queer long bridge over the river Lapp, and then put his horses to a swift gallop up the hill by the low-nestled village of Little Treby, till they were on the fine level road, skirted on one side by grand larches, oaks, and wych elms, which sometimes opened so far as to let the traveller see that there was a park behind them.

How many times in the year, as the coach rolled past the neglected-looking lodges which interrupted the screen of trees, and showed the river winding through a finely timbered park, had the coachman answered the same questions, or told the same things without being questioned! That?—oh, that was Transome Court, a place there had been a fine sight of law-suits about. Generations back, the heir of the Transome name had somehow bargained away the estate, and it fell to the Durfeys, very distant connections, who only called them-
