

Day's Doings in YORK COUNTY

WHO'LL BE WARDEN AND CLERK IN YORK COUNTY

Nobody So Far Can Pick Out the Winner—N. Toronto Committees Meet.

Around the county council offices on city, speculation is rife as to the selection of the warden for next year, while the selection of county clerk, succeeding Adelaide-street, where the township fathers are wont to gather when in the late Mr. Ramsden, gives room for many diverse views.

The deadlock existing in December, when Mr. Keith of Newmarket and Mr. Phillips of King were applicants for the position, is, in spite of all rumors to the contrary, not to again occur at next week's session. The number of members is practically the same, and the Newmarket was given another representative, this is offset in a measure by the absence of Second Deputy Reeve George Syme of York Township, who is at Hot Springs in Arkansas, incapacitated thru rheumatism, and will not be present.

There are a number of changes, too, in the personnel of the council, and these will undoubtedly be marked enough to effect the selection of one or other of the two aspirants.

The wardenship is more difficult of analysis, three or four men being in the field, any one of whom might land the coveted prize. John Garhouse of Etobicoke, Reeve-Coulson of Stouffville, and Reeve Michaluk of King Township are undoubtedly candidates for the high office, while Reeve W. D. Annie of Scarborough, who at one time aspiring to the office, is said to be temporarily at least retired from the contest.

This leaves two rural candidates in the field in Messrs. Garhouse and McMurphy, as against one village man, R. P. Coulson. Whether the result will be to range up the township against the township, to decide the matter along political lines, or on the lines of merit and length of service, does not yet appear, but time will tell and next Tuesday will likely settle the matter for good. We shall see what we shall see.

Dead Men. The man lacking in the vital power nature gave him, debared by weakness from functional enjoyment of his most important functions, merely a burlesque upon strong, robust, virile manhood, is, in a sense:

A Dead Man. Life has lost its zest, the gold of enjoyment is absent, it is not worth the price of the pain it cost to live. Every weak man knows this is true. Thousands of men in all walks of life restored to full manhood. Do not delay, but consult me to-day.

YONGE-ST. NORTH IS OVERRUN. Canadian Northern Cars Dominate the Situation Up There.

The conditions on Yonge-street north beyond the city limits are becoming simply intolerable thru the action of the Metropolitan Railway, and unless the Town Council of North Toronto take immediate steps to put a check on the aggressions of the company, traffic on that great thoroughfare will be in a hopeless state.
