

Another Lemon Team From Ottawa Walloped at Arena

EASY GETTING FOR TORONTO

Stewartson of Ottawa Proved to Be a Light-Lunch For Black and White—Score Was Twelve to Two.

There is sorrow in the Capital City this a.m. Another of Ottawa's crack amateur teams has visited Toronto, and once again the pride of the eastern city has tasted the bitter pill of defeat. Stewartson, picked by the Ottawa papers to land the Interprovincial Union championship, and coached by Frank Shughnessy, were handed the finest beating of their career by the T. R. & A. squad, to wit, 12 to 2, at the arena last night.

There was nothing to it but Toronto, as the score would indicate, and they amply played things around the Ottawa team. Combination, individual work and everything that goes to make a good hockey team were what Stewartson lacked, but they excelled in one department—for real rough work you have to head to the Ottawa seven, and they surely are past masters of the hook-and-ramp game.

Every man on the Toronto side was a star, and on last night's showing they will give anybody a run for the money. Jack Brown was not peculiarly distinguished at the right wing job for T. R. & A., and looked as if he couldn't stand the strenuous pace, but he replaced him, and worked up exceptionally well, and would be a good man to have on regular duty.

Big Frank Heffernan was the best man on the ice, and Stewartson were bewildered by his speed. It took more than one man to stop him when he took a notion to go up the rink.

Of course, Stewartson came with only two nights' practice, but they were simply outclassed in every department. He did better work than any other Ottawa man, and he was into every bit of good play.

Players Who Turn Out With Different Clubs Will Parade Before the Committee Next Week.

Ordinary observers cannot but note the peripatetic inclination of local amateur hockey players, while among the sharp it has almost become a scandal. Thus it is not to be wondered at that the Ontario Hockey Association has made every preparation to take action. Twenty of these performers, who practice one day with a certain team, and the next day cross over, are due to parade before the executive committee at the regular meeting next week.

Some of the transgressors hail from Hamilton, more from other outside towns and most belong to Toronto. While many may prove an alibi, it is surer that several will be made eligible for the Toronto and Tecumseh.

Eddie Wetliamer has already spent considerable energy on the matter; otherwise the list would be more than the score mentioned above. The president has notified suspects that it would be useless to apply for O.H.A. certificates, and they are likely to be this time looking for jobs where the scrutiny is less keen.

Edie Wetliamer has already spent considerable energy on the matter; otherwise the list would be more than the score mentioned above. The president has notified suspects that it would be useless to apply for O.H.A. certificates, and they are likely to be this time looking for jobs where the scrutiny is less keen.

PROG. AT ARENA. NIGHT LIGHT. Montreal Teams Will Introduce Six-a-Side Style—Hockey News and Gossip.

Toronto will be initiated to the first exhibition of the six-man style of play here tonight, and also the first pro. game of the season. The contest is between Wanderers and Canadians, and they are contending for the coveted title in the east. Both teams are firm believers in the six-man style and hope to convince local fans that the game is faster and more spectacular than our O.H.A. game. Another new one for the Queen City bunch is fashion is that the pro teams play three twenty-minute periods, instead of two, as is played around these parts. Both teams are coming in full strength and feel that a loss might have serious results as to whether their support would continue as such. Canadians will have at least two players who have been seen in action around here. Newby Laidlaw and Donald Smith played with Alex. Milne's aggregation in the old Ontario Pro League. Both these boys are coming to Toronto last year and look to be a strong pair. LeViolette is rated in the same class as Pitts, and his speed is marvelous. Wanderers are very strong, too. Art Ross, Ernie Russell, Cleghorn brothers and Hyland are coming to the scene and other five in the game today. Both teams are in the best of shape. Tom McIlwain, Montreal will referee and Dr. McIlwain will umpire. The teams will line up as follows: Canadians—Goal, Veinins; point, Ross; cover, S. Cleghorn; forwards, Russell, O. Cleghorn, Hyland. Wanderers—Goal, Boyes; point, Laviolette; cover, Lalonde; forwards, Smith, Fayon, Dallaire.

St. Andrews' and St. Miquel's juniors are playing away every day and gradually getting into shape. Yesterday afternoon both of these teams lined up and indulged in fine practice, although some of their players were left for home to spend Christmas. St. Miquel's were out for an hour last night, and the lengthy period took only a few minutes of them that had gathered. All the boys are going great guns these days and will be Toronto's idols before many moons, if everything goes on as planned. They are now. The same bunch were out again, and only Dutch Richardson is needed to complete the team. The boys are surprised at the way his ankle is standing the going. Bricker repudiated the rumor that he was going to play for Parkdale.
