Nevertheless so long as the crowd insists upon taking profits on every hard spot we fall to see any possibility for a big advance, and think that this market will continue to be a trading affair.

Ennis & Stoppan wired to J. L. Mitchell at the close:

Wheat—There was a good active trade in wheat to-day, prices declining one cent in the early trading, then rallying around the noon hour 2 cents from the low price. The advance was brought about by the pub-Cars 216 96
Cattle 3208 2098
Hogs 4012 1324
Sheep 565 80 noon hour 2 cents from the low price. The advance was brought about by the publication of the Kansas State crop report. giving the condition of 52, which would indicate a yield of 50,000,000, bushels. There were continued sensational reports of damage from Kansas and the southwast, stating conditions are getting worse instead of better. The professionals sold themselves to a finish in the early trading and had to get their wheat back at an advance.
