Fresh Cases Coming Out.
Fresh cases of impersonation are coming to light every hour. In one division alone it turns out that fully a quarter of the rotes were illegal.
Said a prominent physician to The World today: "It is disgraceful, but \$1000 properly placed will carry any money bylaw in Hamilton."

Working Hamilton for Years.
On account of the free field afforded them a gang of political freebooters have been operating in the city for years. When The World, at the time of the last Ontario elections, pointed out how important a part the Vinegar Hill toughs were playing in the election campaign of Hon. J. M.
