Explain it how we will, there is a persistency in the Hebrew race not found in any other. Many and great nations have risen and fallen since God's promise to Abraham, "In thy Seed shall all the families of the earth be blessed." The Hebrew race alone has continued. and thus to bless mankind.

In due time, when Israel realized that her hope for attaining this high plan, namely, that it would not be executed by the nation of Israel alone, but that he would send them the Messiah, the Mighty Immanuel, whose deep for the Jews, except for the few who were deeply so the few wh position was a glimmering one be-cause of her national vicissitudes, God explained a still further feature of his would use in connection with the bless-ing of the other nations. The Jews know, and Christians yet to be fulfilled.

The Jews know, and Christians know, that for centuries Israel was God's peculiar people, of whom he said, "You only have I known of all the families of theearth" (Amos iii, 2). The Hamilton Steamboat Co., Ltd. Trip to Hamilton.

The Turbine Steamship Co., Ltd. | Announce the result of the essay contest, "My Steamship

The success of the competition exceeded the expectations of those in charge, while the very large number of essays received, and the high degree of excellence attained by the youthful authors, has rendered difficult the judge's task. The winners are:

Special Prize, 1 Ten-trip Book:

Awarded by the judges to Earl Claridge (Class B), 13 Norfolk Street, Toronto.

Almost without exception the essays spoke of the delight the vouthful writers experienced from the fresh, invigorating air, the cool breezes and the complete change from the hot, sultry city; the trip was just long enough to be a delight-not long enough to be tiresome-and the lovely scenery gave inspiration to many of the young writers. The trip to Hamilton is the most popular family or picnic party outing on the lake, and the great increase in traffic this season on the popular boats, the Macassa, Modjeska and Turbinia, shows how this inexpensive outing has come to be appreciated. Five trips daily.
