evening ended with a social hour and a short musical program.

A -very pleasing event was the coming out party tendered to Miss Lilian Evans by her parents, Mr. and Mrs. E. T. Evans, 194 Carlton street, in celebration of her twenty-first birthday. The guests assembled in the ballroom of the Hotel Winchester, which was tastefully decorated with festoons of orange and yellow ribbon streamers and daffodils. An enjoyable program of the popular dances was interspersed with vocal selections rendered by Miss Muriel Lomax and Evan J. Williams, and violin solos by Broadus Farmer. At eleven-thirty a dainty supper was served and the large birthday cake was cut by Miss Evans. Among those present were: Mr. and Mrs. Broadus Farmer, Mr. George Crawford, Miss Crawford, Mrs. Crawford, Mr. and Mrs. Lomax and Miss Muriel Lomax, Mr. and Mrs. A. Browne, Mr. and Mrs. D. Importation Must Cease

Y a majority of more than 407,000, the people of Ontario in the Referendum of September, 1919, said that the sale of intoxicating liquor for beverage purposes must cease.

But private cellars are stocked, and "booze" is invading the home.

Manufacturers of liquor in other provinces are benefiting financially by the situation in Ontario.

"Bootleggers" and "blind pigs" are able to set the will of the people at nought.

The law of the province is being evaded.

Why? Because there is no law in force against importation. The Federal wartime order-in-council which backed up the Ontario law at first was repealed on January 1, 1920.

The Will of the People Shall Prevail

The provincial legislature has no power over interprovincial traffic or importation. But the new Federal law will prohibit importation into Ontario from any other province or country if the majority votes "Yes".

There is only one way. Close the door to importation.

You voted against the sale of liquor in the province. Now vote to shut it out.

The Referendum on April 18th is your opportunity to cut off the "bootleggers'" source of supply, and put the new Federal law forbidding importation into force.
