

one and one half stories, shingle roof, 5 windows, with a kitchen lean-to 10' X 14' with two windows. He has a small stable and garden.

I explained to the Chief and Council that the taking in of this 160 acres in the amount for additional hay land would have to be subject to the approval of the Department as it was separate from and in a different township from that formerly applied for.

The area of the two portions together is 2080 acres or less than the area estimated by the Indian Commissioner.. None of these lands infringe on any squatters, R. Rogers who has some cattle in Tp.28,R.I,W. is on Sec.I4, his buildings and fencing being on the North-east quarter.

Your obedient servant
