HOME EVIDENCE.

Capt. D. Foster, of Port Burwell, Ont.,
writes:—"I am pleased to notify you of the
benefit which I have received from your
Allen's Lung Balsam, having been troubled
with an occasional cough, at times very severe,
during years past, I have found your *Balsam* to
relieve my cough more readily than anything
I have ever tried. My wife has also used it
with most satisfactory results."

C. E. Kyle, of Uxbridge, writes October 3rd,
1870, and says:—"I certify to the excellent
qualities of *Allen's Lung Balsam* as a remedy for
all diseases of the throat and lungs. I know
it to be all it is recommended to be."

Mrs. Capt. Norman, of Millbridge, Ontario,
writes:—"Allen's *Lung Balsam* cured my son of a
severe attack of congestion of the lungs. He
took no other medicines, the *Balsam* acted
wonderfully, taking away the fever, at once
operating on the bowels, and sending matter
up from off the lungs, in appearance dreadful
beyond expression. There are several others
who reside in this neighborhood, and have
been cured by *Allen's Lung Balsam*, who would
give certificates if asked."

S. E. Burwell, of Fingall, Ont., writes:—
"Last autumn I was suffering from a severe
cold which settled on my lungs and produced
a distressing cough, for which I gave trial to a

number of Cough Medicines, but without any
profit. I at last tried one bottle of Allen's
Lung Balsam, which I am happy to be able
to state gave almost immediate relief,
and performed a perfect cure in a short
time."

B. A. Mitchell, Druggist at London, Ont.,
says of it. I have used Allen's *Lung Balsam*
myself and have seen its effects upon others
who were suffering from coughs and colds and
can recommend it.

Bronchitis.—Unless arrested, will termin-
ate in consumption. An almost never failing
cure for this complaint is found in *Allen's Lung
Balsam*, which can be had of any Druggist,
price one dollar per bottle.

Coughs and Colds.—If taken in time are
easily cured,—if allowed to continue will re-
sult in incurable consumption. *Allen's Lung
Balsam* has the confidence and support of the
medical faculty, and it is recommended by all
who are acquainted with its virtues.

Consumption.—Many say that this disease
cannot be cured, but the proprietors of *Allen's
Lung Balsam* will satisfy any that it has been
cured in very many cases of the worst des-
cription. They have hundreds of testimonials
from thankful individuals who willingly ad-
mit that it has saved their lives.

Croup.—This disease is caused by the form-
ation of a false membrane lining the wind-
pipe, and obstructing the passage of the air,
and is known by the shrill, croup-sounding
cough and rattling in the throat. This mem-
brane must be moved by expectoration. Take
a double dose of ALLEN'S LUNG BALSAM
every ten or fifteen minutes, which will re-
duce it, after taking a few doses. THE BAL-
SAM WILL AND HAS SAVED THE LIVES OF
THOUSANDS OF CHILDREN ATTACKED WITH
CROUP, where it has been taken in season.

Whooping-Cough.—If your children are
suffering with this distressing malady and
nearly coughing to death, send to your Drug-
gist and buy a bottle of *Allen's Lung Balsam*,
and relief, we can confidently assure you,
will be immediate and sure.

No stronger warranty can be given for the
merits of a cough medicine than we offer. We
say to all who wish to use *Allen's Lung Balsam*
that unless it gives entire satisfaction they may
return the bottle to us after they have used it
48 hours, and the money will be cheerfully re-
funded. This same warranty has been offered
from the day we offered the *Balsam* first for
sale, and to this time the first bottle has not
been returned, and we have received nothing
but praise in its favor from those who have
used it.
