SUNDAY SCHOOLS
IN UNITED RALLIES

Several Sunday schools of the city
held New Year's rallies yesterday which
brought out large crowds of scholars.
The Congregational and Presbyterian
rally took place in St. John's Presby-
terian schoolroom. The Methodists
rallyed in the Centenary school room. Flags
were presented to all present at the
rallies through the generosity of Col. H. H.
McLean, Dudley March, Col. McLean,
George McDall, and others took part at
St. John's church in the programme
while Rev. H. E. Thomas, Rev. W. G.
Linton, Silver Falls, LeBaron Johnson,
Brookville, George Green, and Marsh
Bridge, J. Rowley. The musical service
was conducted by H. W. Brownfield. It
was in every way a successful and a
noteworthy rally. At the close of the
usual exercises the scholars were march-
ed to the bottom of King street and
there cheered for the Presbyterians and
the presentation of a flag to every schol-
ar will make the 1915 rally of the St.
John schools one to be marked out in
the list as the patriotic rally.

WATCH AM RHEIN A REALITY

Germans Preparing For Time When
They Must Fight on Their Own
Ground

(Montreal Gazette)
Basle, Dec. 29.—"Die Watch am
Rhein" is something more than the mere
expression of a national sentiment. The
watch on the Rhine is very close indeed.
From Basle to Coblenz, the right bank
of the river has been put in an extra-
ordinary state of defense. From a
large number of who have been down the
Rhine from here to Mannheim, I learn that
these earthworks in certain parts
along the river bank, that in some places
bridges have been mined and others
strewn with branches and debris to
make a hostile crossing difficult.
A mile or two away from the Swiss
frontier, at Suringen, reserve troops even
now are working hard on defense pre-
paration. Higher up, Althreisach is be-
ing transformed into a river bank fort-
ress. Around the town the ground has
been carefully prepared for trenches.
Similar measures have been taken be-
tween Althreisach and the port oppo-
site Strasbourg.
Strasbourg itself, before the war one
of the strongest fortresses in Europe, is
surrounded by newly-built earth and
cement works, which are still being
strengthened, and there are heavy de-
fense preparations on the right side of
the river and a line of first-rate fort-
resses—the line of Neugrass, Strassburg,
Gernersheim and Meina. Most Germans
seem to think that Strasbourg cannot be
taken.
