CRASHED! — TOPPLED!!

The Business I Built With 19 Years of My Life Goes to the Ground

FALLEN!!!

Dropped — Let Go — Abandoned — As I Buy a Bigger One in Ontario

I've got to get the money out of this one to pay for that one. \$60,000.00 of Merchandise on my hands to change to money quick—so quick that I have to turn my back on the stores that bought from me wholesale, and let the public have the whole works at prices they can't pass up—at prices that'll find the money to swing my Ontario deal. So I've got to about give the stuff away. You don't ever meet values like these—and now you know why, THIS IS MY LAST SALE IN SAINT JOHN—IT HAS GOT TO BE MY BIGGEST. These prices say so —a thousand more in the Store put it right up to you to buy, and buy while the going is good—at wholesale.
