HEAD OF I. W. W. IS TAKEN AFTER FIGHT

Police Discover in Buffalo School of Instruction in Making and Using Bombs.

Pittsburgh, Pa., June 3.—Robert Johnson, president of the I. W. W. organization here, and internationally known as a radical agitator, was arrested after a fight with detectives and agents of the Department of Justice, in a downtown office building this noon. Johnson opened fire on the detectives with a revolver, when they opened the door of the I. W. W. headquarters on the third floor of the building with a key taken from a suspect arrested in connection with the bomb explosions here last night. Several bullets passed through the clothes of the detectives, but no one was injured. Johnson was overpowered and taken to police headquarters. A quantity of anarchist literature was found in his office.

Police Make Find.

Buffalo, N. Y., June 3.—A school for instruction in the manufacture and use of bombs has been discovered here, the Buffalo police believe. No arrests have been made, but a number of drawings, alleged to be designs of internal machines, have been seized.

Police Chief Higgins said today as a result of the inquiry by detectives and Department of Justice agents guards have been placed at Mayor Buck's residence and extra detectives and police have been detailed to the City Hall.

URGENT CALL TO PRAYER.

To all Methodist ministers and congregations: Every Canadian citizen must regard with serious misgivings the fact that industrial unrest apparently tends to pass over into conflict. The decision of our general conference requires us as a church to advocate industrial peace only in so far as it is based on improved social organization. But this movement for improved social organization is based on spiritual ideals, and in consequence it is most important that the whole situation be taken up into the life of prayer and interpreted in terms of prayer.

Therefore this request is sent to every minister of our church (similar requests being issued in other communions) that the yearning for industrial harmony, based on social justice, be given full expression in the worship of each congregation at the earliest possible opportunity. Trusting that the offering of collective prayer in all our congregations may further unity of thought and action.

Yours faithfully,
T. ALBERT MOORE,
Secty Genl. Conference.

SERVICE

Consumers' Coal Company Service Goes Far Back of the Mere Delivery of the Coal by Team

It starts with the selection of Coal at the mine. The quality from all mines varies, some being good, others indifferent or very poor. At a cost of thousands of dollars and careful investigation, we have learned the best and most reliable sources of supply; and with this knowledge our Service begins. Coal cannot be selected with too much care.

Again, we place at your command, a large stock, comprising all sizes of Coal, at all seasons of the year. True, we can serve you more cheaply in summer than in winter, but, think of the convenience of our all-the-year-round Service.

Our facilities for taking the "raw" Coal, as it comes from vessels or cars, and screening out the slack and dust, so detrimental to a good fire, and giving it to you in absolutely the best condition, is another part of our Service.

Our Delivery Service—The above illustration represents the Consumers Coal Company delivery equipment in August, 1917, which has since been enlarged by three new horses and three new motor trucks, bringing up our delivery capacity to the householder to 125 tons per day.

By "BUD" FISHER

MUTT, JUST SLIP ON THESE NEW GLASSES OF MINE. I WANT YOU TO LOOK THROUGH THEM!

I DIDN'T KNOW YOU HAD ANY EYE TROUBLE, JEFF!

THERE'S NOTHING WRONG WITH MY EYES. I'M HOLDING A TINY SHOT IN MY HAND. WHAT DOES IT LOOK LIKE TO YOU THROUGH THOSE GLASSES?

IT LOOKS LIKE A TWENTY-FOUR INCH CANNON BALL!

I'M GONNA SELL THESE GLASSES TO BALL PLAYERS. THEY'LL WEAR THEM ONLY WHEN THEY GO TO BAT. THE BALL WILL LOOK AS BIG AS A HOUSE THROUGH THESE MAGNIFYING GLASSES AND THEY CAN'T HELP BUT HIT IT!

YES, BUT ACCORDING TO THAT FIRST BASE WILL LOOK A MILE AWAY AND THEY'LL NEVER GET THERE.

I NEVER THOUGHT OF THAT. I'LL HAVE TO GET 'EM TAXICABS TO TAKE THEM THERE!

TO SAM HILL WITH THE BALL PLAYERS!
