

### LIFT OFF CORNS FREEZONE IS MAGIC

Costs few cents! Sore, touchy  
corns lift right off with  
fingers. No pain!

Drop a little Freezone on an aching  
corn, instantly that corn stops hurting,  
then you lift it right out. It doesn't hurt  
one bit. Yes, Magic!

Why wait? Your druggist sells a tiny  
bottle of Freezone for a few cents, suf-  
ficient to rid your feet of every hard corn,  
soft corn, or corn between the toes, and  
chafes, without soreness or irritation.  
Freezone is the much talked of other dis-  
covery of a Cincinnati genius.

### ASK CHANGE IN CLASSIFICATION

At the afternoon session of the St. John district convention of the Methodist church, yesterday, it was decided to forward a memorial to the conference to be held at Sackville, this year urging some changes in the division of churches under different heads. The Methodists now have churches divided into three classes, first, independent churches; second, semi-independent churches; third, mission churches.

A memorial was drawn up and will be forwarded to the conference when it meets at Sackville, urging that the semi-independent class of church be abolished and all churches divided into either independent or mission.

Rev. Thomas Marshall was chairman and Rev. F. E. Boothroyd presided as general secretary. There were nineteen ministers present as well as many laymen. The following figures will show that there has been general progress in the year's work. There are fully \$609 church members in this district; \$8,740 was raised for the Women's Missionary Society, an increase over last year of \$247; \$5,312 for the missionary fund, an increase of \$229; educational fund, \$377, an increase of \$78 and a total sum of \$63,000 was reported for all purposes.

Two probationers for the ministry, George A. D. Elliott and Mason Linton, were examined and passed on.

Rev. Gilbert Earle a year ago minister at Fairville, has been granted leave of absence. He has resigned from the ministry of the church in order to enter the ministry of the church in the West Indies.

Rev. George F. Dawson, of Exmouth street church, was made the representative on the stationing committee, Rev. Neil McLaughlin, alternate.

The district recommended that no invitation be considered which antedates the conference immediately closing.

It was recommended that the service at the Marsh Bridge mission be reverted from Zion church to Centenary church. It was noted that there are three ministers in active service, Rev. John Whitman and Rev. Earle E. Pythe, both combatant soldiers, and Captain (Rev.) Matheson Connor, a chaplain.

Following are the list of laymen elected to attend the annual conference at Sackville on Wednesday next: J. Willard Smith, J. V. Lingley, John Willett, R. Duncan Smith, J. Hunter White, Alfred

### UTOPIA CAMP BURNED

St. George, June 6.—The boys' camp at "Bryn Dervin," Lake Utopia, was destroyed yesterday by fire. The building, which was located in the woods on the shore of Lake Utopia, was the largest on the lake, substantially built, and contained a large amount of furniture, including over fifty cots. The fire caught from a bush blaze and spread so rapidly that nothing in the building could be saved. The flames ran a considerable distance in the underbrush, but did little damage to the tree growth. The property is owned by the Brine family, of Boston, and is under the management of Mr. Joseph Brine, who resides in the club house at the "Bluff."
