We Might Tell

you here a lot of nice things about our Winter Overcoats, Gents' Furnishings and boots.

We might say they are perfect in style, best in quality and best to buy.

All of this would be the truth, but it would be far better for you—and us—for you to come to our store and see with your own eyes how our Overcoats look and fit and judge for yourself if they are the best for you to buy.

We have three weights—the Full Lined for the severe cold—Heavy Tweeds for the medium weather and Light Weights in blacks, greys and browns for the mild weather.

These garments we are always willing to show and will sell upon their own merits.

Buy later, if you want to, but look NOW.
