

PREFATORY NOTE.

The Committee appointed to superintend the publishing of this Report, regret that (owing to a delay of three weeks before the Reporter's manuscript was received,) a longer time has elapsed in issuing it, than was expected. Since it was received, every effort has been made to secure its speedy issue from the press, and to furnish all interested with a full report of the late Provincial Sabbath School Convention.

Those who were present will, we believe, acknowledge the faithfulness of the report by Mr. S. Hutchinson, of Montreal.

To those who could not be at the Convention, it will be the best substitute for their attendance on that interesting occasion. To all engaged in Sabbath Schools it will afford much instruction, and none desiring fresh stimulus for the work, can read it in vain.

The printing has been done by Messrs. Dudley & Burns, of this city, and has been executed with commendable skill and dispatch.

The price per copy is 15 cents, mailed to any part of Canada. Orders by letter must be post-paid, addressed to the General Secretary, Post Office, box 1077, Toronto, accompanied with the money.
