Governor's Speech

Ir. President and Honourable Gentlemen of the Legislative Council: Mr. Speaker and Gentlemen of the Honourable House of Assembly:

Since the last session of the Legisthorities, and the enthusiastic remay attend you. The sentiments of sponse made during the past year to the appeals for further recruits is, I am glad to say, likely to be continued to the practical manifestations of patriotism which have supon a similar scale during the present ported the same since the beginning

and the end attained without exceptional demands upon the manhood or resources of the Mother Country and the Oversea Dominions. Instead of that, however, the conflict is proving one which threatens the very existence of the British Empire and of the nations associated with her in the ef ort to maintain civil liberty and the rights of free states. Unexampled calls have been made on the Mother Land and the other pertions of the Empire, and they have been nobly East, Bay Roberts West, Country on Queen Street. When the soldiers Isles. Canada, Australia, New Zea Baech, Salmon Cove, North River company them he declined and orderland and South Africa have undertak- Cupids, Brigus, Spaniard's Bay, diers, however, forced open the door, en obligations proportionately great; and I have every confidence in the new invitation now being addressed to their part in the fighting line and to the rest of our people to organize

Cupids, Brigus, Spaniard's Bay, Bishop's Cove, Tilton, Upper Island Cove, Bryant's Cove, Harbor Grace S. S., Carbonear or any other place in Newfoundland, we will quote a Newfoundl what is required from those who remain at home, that there will be a response that will keep Newfoundland of introducing the Imperial, the population and resources.

of the tonnage problem to the Colony as evidenced by some of its phases at present, measures will be introduced to invest my Ministers with further powers to enable them to deal with this matter in the general interests of

the Colony. The industrial operations of our people during the past year have been attended with highly sagisfactory results. The high prices obtained for the staple products of the fisheries. forests and mines have enabled the working classes to enjoy a high degree of prosperity. This is all the more gratifying when we remember how have surely cause for thankfulness Auxiliary Cruiser Alcantura. that here in Newfoundland we have

suffered so little. One of the lessons which this War has taught the people of the British Dept., and Mr. A. Keefe, of the Union cordingly pulled off last night. Empire is the desirability of promoting inter, imperial trade, and we may Roberts on March 17th. not unreasonably hope that one of the results will be a very great increase in the demands for the products of our now stationed at Channel. They and pressive gestures, Rev. Mr. Tappert fisheries, and that the development of our forest and mineral resources Birthday Party, held recently, the soldiers who attended the service gave the middle of October ensuing, of our forest and mineral resources

than heretofore. Bills will be submitted to you for the consolidation of the laws of the Colony, a work last undertaken wenty-five years ago; for bringing up o date the Education Law; for bring ng the law with regard to Weights and Measures into conformity with the standards existing in other countries and to provide for the Municipal Gov To Lydia E. Pinkham Medinment of the town of St. John's, as well as other measures.

Mr. Speaker and Gentlemen of the Honourable House of Assembly:

The accounts for the past fiscal year, nd the Estimates for the coming one, will be submitted to you in due course, and I am sure that you will make suit able provision for the requirements of the Public Sercice, with special refer Never, knowingly, have we published ence to the increased obligations which the War will impose on the full and written consent of the woman

You will be glad to know that there is a very substantial increase in the revenue from all sources, encouraging the hope that, at the end of the fiscal that Lydia E. Pink-ham Medicine Co. is that Lydia E. Pinkthe hope that, at the end of the fiecal year in June next, our receipts will ham's Vegetable Compound has brought health and happiness into their lives, suffice to meet the expenditure on cur once burdened with pain and suffering. rent account. It is now apparent that rent account. It is now apparent that the decrease in revenue for the last the worst forms of female ills, from disfiscal year of \$720,000 was largely due placements, inflammation, ulceration, to the reduction in imports, conse irregularities, nervousness, weaknes quent on the uncertainties as to trade stomach troubles and from the blues.

flect itself in still larger imports and Growing Carrots, etc. more enhanced prosperity.

Mr. President and Honourable Gentle men of the Legislative Council; Mr. Speaker and Gentlemen of the Houourable House of Assembly:

In accordance with the Act passed at the last session of the Legislature Since the last session of the Legis-lature the terrible struggle between electors of the prohibition of the im the warring nations of Europe has con-tinued to rage with unabated violence.
