*To the President and Members Royal Military College Club,
Kingston, Ontario.*

GENTLEMEN,

I have the honor to submit for your consideration, the
following proposition, having reference to the manner in
which the business administration of this club should be
carried on.

The object in view is to place matters on a basis at the
present time as will tend to reduce as much as possible the
work which has to be performed by the Secretary-Treasurer.

His duties will increase yearly, owing to the Royal
Military College sending out Graduates annually, and in
addition to this, it is expected that all such who have not
joined the Club to date, will do so on some future occasion,
which will constantly increase the work to be done by him.

As my ideas may appear to demand a rather large outlay
of the funds of the Club in order to meet the requirements
