

SPECIAL MEETING, January 2, 1883.

ROBERT MORROW, Esq., *Vice-President, in the Chair.*

INTER ALIA.

A letter was read from the Royal Society of Canada, inviting the Nova Scotian Institute of Natural Science to send a delegate to the next meeting of the Royal Society.

On motion of Messrs. GILPIN and JACK, it was

*Resolved*, That the Institute cordially receive the communication of the Royal Society of Canada, and that they agree to carry out the request of the Society by electing a delegate.

ORDINARY MEETING, January 3, 1883.

ROBERT MORROW, Esq., *Vice-President, in the Chair.*

Dr. SOMERS, the *President*, read a paper "On the Anatomy of the Heart of a Moose."

Prof. HONEYMAN, D.C.L., read a paper "On Nullipores."

SPECIAL MEETING, 31st Jan., 1883.

JOHN SOMERS, M. D., *President, in the Chair.*

INTER ALIA.

The Committee appointed to prepare a letter in reply to the letter of the Royal Society of Canada, reported as follows: "At the last meeting of the Nova Scotian Institute of Natural Science, it was resolved that the Institute reciprocate the friendly greeting of the Royal Society of Canada, and agree to elect a delegate to the Society in accordance with the request embodied in their letter of the 17th Nov., 1882."

WILLIAM GOSSIP, Esq., was elected.

ORDINARY MEETING, 12th Feb.

JOHN SOMERS, M. D., *President, in the Chair.*

INTER ALIA.

Prof. HONEYMAN, D. C. L., read a paper "On Glacial Transportation in Nova Scotia and Beyond,—Problem of 1873 solved."

The *PRESIDENT* read a paper "On the Winter Food of the Partridge (*Bonasa umbellus*), and on Partridge Poisoning."

It was intimated that Dr. McKenzie had been elected an Associate Member and Capt. England an Ordinary Member.
