MIRAMICHI ADVANCE, CHATHAM, NEW BRUNSWICK, FEBRUARY 22, 1877.

GOING TO THE BAD. BY EDMUND YATES.

CHAPTER III. -HONOB AMONG THIEVES.

whelm her. Then, when her destruction

giant's blow, and cause the few passen-

gers who had ventured to remain on theck to shriek, gesticulate, and swear, according to their various nationalities. The nationalities were various, but Reglish people predominated; for the time was towards the end of October, when milord and milady are returning the pheasant shooting and the pleasant country life; when the lawyers, who enjoyed the earlier portion of their long ion in climbing Swiss mountains. and the latter portion in "doing" Italian picture galleries, are coming back to their clients and their briefs, and when most persons have begun to think with a shudder of the long, gloomy galleries and vast apartments of continen-tal hotels, and to look forward with de-

tar notes, and to now it of ward with de-light to the rearing, sea-coal fire, and the ang comfort of home. There are some Americans, also, among the passengers, who, for the most part, were anticipating the pleasant time in spending the ensuing Winter in Lon-don, though one or two of them, memdon, though one or two of them, memaon, though one of two of them, mem-bars of Congress, had engaged passage in the next outgoing Cunard steamer, being anxious to get across the Atlantic I should like to know what is the use of before the opening of the session at the set of the session at the set of the set Washington.

Arrangements for locating themselves at Morfey's, at the Langham, or in private partment during the next six months; for our 'American citizen 'yho, at one time, and not very leng ago either, mere-ly locked upon England as a baiting place on his way to and from the conplace on his way to and from the conplace on his way to and from the con-tinent, has of late wonderfully changed in this respect, and now not merely passes a considerable time of his absence from home, in London, but speaks of the old city with a kind of filial respect and afcity with a kind of filial respect and af-

fection ; finds himself warmly received in her best society, and is altogether pleased with his stay in her precincts. This must be an American gentleman

extended at full length or one of the diverse of the wretched little cabins. He has been actually ill, buthis clean-shaven pulled his seal-skin travelling cap so far teeth every fortnight to keep the Chief extended at full length on one of the cheeks are deadly white, his long, gray hair is dishevelled, and now and again he plucks at his grizzled goatee beard hard and and cruel outlines of which with the energy of despair.

Seeing the steward approaching, he struggles into a sitting position, show-ing himself to be a tall, gaunt, large-boned man, dressed in a frock coat, struggles into a sitting position, show- with a fair and pointed beard. ing himself to be a tall, gaunt, largeboned man, dressed in a frock coat, wearing in the midst of his buttonless,

undignified in him to appear without his the peak of the seal-skin cap, and then, age saintship as far as it could be with- DEIN, TISTRY. hat, for he immediately put on a tall, black specimen of the latest monstrosity in shape, which the genius of the Pari-sian hatter has invented, and thus duly accountered, acizes upon the steward as

attired in a well-fitting yachting suit of drenched and discomforted passengers Between two lines of snug, rosyblue serge, over which she wore a heavy seal-skin jacket. Ordinarily, no doubt, cheeked, self-satisfied individuals, all of her complexion was somewhat pale, but whom had just eaten a hearty luncheon she had been on deck buffeting with the and many of whom were puffing away The wind was howling in all its au-bluff wind, and the contest had given at their cigars, the home ret tumnal fury, and the tidal boat plying her a splendidly glowing flush of health travellers marched along. tumnal tury, and the lidal boar prime her a splendidly glowing huan of nearth the splendidly glowing huan of

hard work to make anything like head-which floated on the forehead, and the though searching for the face of friends way. Now she dipped down into the two long curls which hung over her among the crowd; others, prostrated by trough of the see, and rolled over help-leady from aide to side, while the green fosm-crested billows at her stem and

"Why, see you folks. Are you down destination in the train or the hotel. stern threatened to pour in and over-here still?" she cried, holding up her Oddlyenough, Sir Frederick, although seemed most imminent, she would rise hands in astonishment. "Mamma, he had not suffered at all during the seemed most imminent, she would rise bucomt as a cork and akim along with tolerable steadiness until the shock of tolerable steadiness until the shock of another mormous wave would cause her to stagger as though she had received a cintre blow and events the cabin." eyes, and hurried along at a pace which "That's just the way with your fa-made it somewhat difficult for his fair

ther, Minnie; he is never on time, he is companion to keep up with him. [To be Continued.] is always making me feel mean." [FOR THE ADVANCE.]

The wretched Hiram, for the last few The Story of Nicodemus. minutes, who had been trying the experiment, whether his long legs were steady enough to bear him, commenced assisted her mother to rise, shaken out and smoothed her dress, and given as Zack Taylor, a man who had spent the much shape as possible to the flattered better part of his life hunting on the bonnet, she said: "Now, mamma, dear, take hold of

papa on one side, and me on the other, apa on one side, and me on the other, and we will get you upstairs." But Mrs. Adams was not yet quiet. "Where's that Ujaney!" she cried urning to her daughter. Was no use, tell one he must. Hunting experiences, with a mixture of Indian fighting, were expected of course, but great was our surprise when he proposed to tell us the story of Nicedemus, which and we will get you upstairs." turning to her daughter.

Washington. But the majority of them had made arrangements for locating themselves at

breath. Close by his elbow stood another man, "I reckon there was more'n that. tall, and from as much of his figure as could be judged from the heavy Ulster ther on; I reckon he'd not look after the overcoat in which it was enveloped, ap-parently powerfully built. parently powerfully built.

over his face, that nothing was to be over his face, that nothing was to be ""His name were Nickerdemas," said over his face, that nothing was to the seen of his features save the lips, the seen of his features save the lips, the Zack, looking around enquiringly. "I think you told us that before" said

We had lain over for a day on the Little Laramie to recruit after the hardship endured in crossing the desert between there and Green River. Every source of amusement being exhausted,

plains, was called on for a story. Zack was not in story-telling humor, but it

Won't you help me to sit up and fix myself a bit, I am so mused with lying here; and there's that real elegant bon-net, that cost me forty dollars in Paris, crushed as flat as a buckwheat cake. Shy won't you give me your hand?"

Say, won't you give me your hand?" The gentleman addressed as Hiram turned round at the sound of the well-known voice by which these words were uttered, and staggered across the cabin to the opposite sofa, on which lay a mell thin aldering across the cabin to the opposite sofa, on which lay a side." small, thin, elderly woman, with sharp features and bright black eyes, but she is a since he ran for mayor, and was beat by Samuel S. Stoddle on the Democratic ticket "

hair, though somewhat disarranged by the journey, still showed signs of hav-ing been elaborately frizzed, while heavy bracelets encurbered her arm and rich jewels encumbered her fingers. ("If you do, miss, certainly," was the if you do, miss, certainly," was the claw harmer coats when he could get at the provide the perfection of beauty to do the next wouldn't swap his pictured hide for all creation. Claw-hammer coats wuz onct the perfection of beauty to do the for all creation. To-day the sight of one makes a fellow of any thought fearful az to what it might be possible for his kind to turn into. Nickerdemas didnt, wear no claw hammer coats when he could get at

"Say, now, Hiram," she said again, in a thin, querulous voice, "won't you jest give me a raise up? When we was to home at Titusville, there was ne'er P. Adams, but since we have come world." whispered reply, for which he received a gentle pressure on his arm as thanks. Then he said aloud : "good hotel, Miss dams, I should think so, by Jove; the world." P. Adams, but since we have come world." P. Adams, but since we have come abroad, you propose to pay me ne more attention, I think. You're not posted up in French politeness, Hiram-why, too. I wonder ?"

too, I wonder?". Mr. Hiram P. Adams bent, down with much solemnity and pulled his wife in-to a perpendicular position; and exhaust-Mathing the extricate what he required for his consumption, and was in the full enjoy-ment of it. He came by night Nick-"Hi ! there," shouts the Train Boss, "harness up and let us be off for Big Laramie"—and we never heard the balance of the story.—Geo. J. Forbes, "the Plane of the story.—Geo. J. Forbes, tos perpendicular position; and exhaust- ment of it. ed by the effort, and finding it impossi-

ble to keep his legs any longer, sunk upon the floor at her feet: "Wal," he said, remaining in his re-cumbent posture, "Minnie is all right, I guess; she ain't never sick, and them two Englishmen is looking after her. And speaking of Titusville, Mrs. Adams, I would like well enough to be home there now, burming round Oi City, and passing them through the custom-there mow, burming round Oi City, and passing them through the custom-there mow, burming round Oi City, and passing them through the custom-there mow, burming round Oi City, and passing them through the custom-burge a Management and the set of the

of the Allegheny Valley." "How low you do talk, Hiram," on, as they are generally pretty full. I

that you are not at the bar of the Crit- rooms." tenden House or the Bush? Jest won't won't you recollect that it's European Mrs. Adams in her shrillest tone to her manners as is wanted here, and that you husband, who was just beginning to get ain't a refining, a barrelling, and a stor- into the richness of his Mayflower quid. ing of petroleum jest now."

"I think I'd like not to be so cussed sick, that's what I think," groaned the home, with your feet to the furnace, and unfortunate man in his despair.

It's doubtful what explosion this des- to you about your soul's salvation." perate protest might not have called "Which, leaving out Elder Colfax,] forth from Mrs. Adams, but the con- wish I was," muttered Hiram to himself, versation was interrupted by the ap- as he proceeded in search of the French pearance at the cabin door of a young girl, who, with an exclamation of sur-the fashionable leanings of his wife inprise, immediately hurried towards the fliced upon him. speakers.

Such a pretty girl, of a delicate, re- the weather was anything but inviting, fined type, with a small thin nose, and such of the belated visitors as still lingkissable rose-bud of a mouth, and long, ered at Folkestone had turned out as almond-lidded eyes. Her slim but well usual, to witness the arrival of the boat, developed figure was suitably and neatly and the disembarkation of its sick,

sian hatter has invented, and thus duly accoutered, seizes upon the steward as he passes by. "Say, mister," eatching the man by "the sleeve, "is this boat on time?" "On time? Don't know what you mean, sir," said the man, staring at him; "she will be in in twentyminutes." "Win much eatnestness. "No, no, go on," roared Pete, out of all patience. "Something, warned Nickerdemas he'd catch it. (I want ye to be parti-cular and remember the name for the oble story depends on it). He got almight scared and darsent stir out in the day time, his wigwam bein' watch-ed by the chief of perfece and two or three isalous I niumed
