AN EGED ENTHUSIAST.

(St. Johns, Nfld., News, Oct. 18.) P. Wheeler, aged 92 years, left by cross-country train yesterday for Charlottetown, P. E. I., where he will eside in future. One of the articles which he took with him was an old gun, which he values very much, it being given to him by Commander Carr of the surveying ship Gulnare, years ago. Although of such an age, the old gentleman is hale and hearty and expressed a wish that he could go to the Transvaal to engage with the

HEART DISEASE

ome Facts Regarding the Rapid Increase of Heart Trouble. Heart trouble, at least among the Americans, is certainly increasing, and while this may be largely due to the excitement and worry of American business life, it is more often the result

but not one case in a hundred of heart trouble is organic. The close relation between heart trouble and poor digestion is because ooth organs are controlled by the same great nerves, the Sympathetic and

of weak stomachs, of poor digestion.

Real organic disease is incurable;

Pneumogastric. In another way, also the heart is affected by the form of poor digestion, which causes gas, and fermentation from half digested food. There is a ion and heavin the chest caused by pressure of the distended stomach on the heart and lurgs, interfering with their action: hence arises palpitation and short

Poor digestion also roisons the blood making it thin and watery, which irritates and weakens the heart. The most sensible treatment for eart trouble is to improve the digestion and to insure the prompt assimilaton of food.

This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores, and which contain valuable, harmless digestive elements in a pleasant, conenient form.

It is safe to say that the regular persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

The St. John Subscription Lists Are Still Growing-Other Cities Responding Liberally-A St. Stephen Volunteer.

ROTHESAY, Oct. 25.-The station platform was alive with excitement this evening, and a large crowd of people were gathered together to give our Bluenose company a hearty cheer as they went past in the train. A number of torpedoes were placed on the rail to give the boys a salute. The Rothesay Collegiate School has one boy on the contingent, in the person of George Adams, who will no doubt give a good account of himself.

Rothesay's contribution to the war und was two large boxes of reading natter, given by the following ladies and gentlemen; Mrs. Almon, Mrs. Domville, Mrs. D. D. Robertson, Mrs. J. S. Armstrong and staff of the Church School for Girls; Mrs. Ballantine, Mrs. Gilbert, Mrs. D. A. Pugsley, Misses Thomson, Mrs. Seeley, Misses Coffey, Misses Robertson, A. O. Crookshank, W. Gilbert, W. H. Coffey, H. D. Hayt, W. L. Fairweather, John Mitchell, J. E. Moore and staff of Collegiate School.

A large bondre was blazing when

the train drew into the station this evening, when cheer after cheer went up for the Canadians. The Collegiate book boys were out in force to say good-hye to their old chum, George Adams, and to wish him God-speed to South Africa.

The train sped onward amid the raving of handkerchiefs of the ladies and lusty cheers of the men.

AT HAMPTON HAMPTON, Kings Co., Oct. 26.-The send-off accorded to the New Brunswick contingent of troops for South Africa, on their arrival from St. John last night, was most enthusiastic. The people of the village, station and sur-rounding country had assembled in considerable numbers, and the Hampton Cornet Band was in attendance on the platform. Near by a large bonfire lit up the scene, and was kept well fed by the younger portion of the community. As the train, drawn by two engines, came into the station, the band played Soldlers of the Queen, and followed it up with Auld Lang Syne and God Save the Queen. The boys" were greefed with wild cheers, and everybody that could, shook hands with them from the car windows and dcorways during the few minutes of the train's stay. The cheering was continuous until the train was well on forth at the country's call, carrying with them the "well wishes" and "Godspeeds" of all the people. Hampton has her quota in Company G. and ou people will follow its movements with prayerful and hopeful interest. many the sacrifice is great, for we lose the principal of our school, R. C. Hubley, who was proving himself to e a good and wise instructor of youth and a worthy Christian citizen. successor has not yet been appointed and this week the school is closed. Among the applicants for appointment on the N. B. contingent was Harry McLeod of the Bank of Mont-real, St. John, son of R. D. McLeod, of Lakeside near this place. The condition of his eyes, however, caused his application to fail. He went up for examination before informing his father or friends of his intention. It is said the manager of the bank promised to keep his position open for

him on his return. AT SUSSEX SUSSEX, Oct. 26.- Last 'night's gathering at the railway station to witness the passing of the volunteers to the front was greater than at any event seen here for a long time. A huge bonfire blazed and the 74th battalion band played a number of patri-otic airs while the train remained at the station. The excitement was very high and the Sussex soldier boys received ful recognition of their action in going forward to fight England's foes. Cheer after cheer followed the brave volunteers as they left the station.

The 74th band, Major C. H. Fairwes ther, Major T. Elwin Arnold, Captains Morrison and McIntyre, Surgeon Lieut. Murray, Lieut. Jones and Adjutant Langstroth, all in uniform, went or to Moncton to join the Monctonians in further cheering the boys on their

MIRAMIOHI'S GREETING. CHATHAM, Oct. 26.-Mayor Wins low and one hundred citizens, with the Citizens' band, went to Newcastle last hight by steamer and by rail to give a send off to the volunteers. A great crowd of Newcastle citizens, with the Orange band, waited at the station till o'clock for the soldiers' train. The hands played, the crowd oneered and cheered, and Capt. Weeks and Major Yates made speeches of thanks. The Chatham representatives gave each Chatham volunteer two sovereigns.

AT CAMPBELLION. CAMPBELLTON, Oct. 26.-Companles G and H of the Canadian contingent for South Africa passed through there about 5 o'clock this morning. Several hundred citizens had been up all hight waiting for the train and listening to patriotic addresses and songs. Shortly before the train arrived they marched to the depot, where they were soon joined by many more, including a large number of ladies, despite the earliness of the hour. As the train came in the soldier boys were received with volley after voltey from rifles. here about 5 o'clock this morning. Sevwith volley after volley from rifles, patriotic airs' from the band, loyal songs from the men in the crowd and Grand Total.
