

WILL GIVE \$500 TO SICK READERS OF STANDARD

Famous Scientist Who Originated the Now Wonderful "Home Treatment" Offers \$1.00 Package Free to Sick and Ailing

In order that every reader of The Standard who may not have heard of this wonderful "Home Treatment" may have an opportunity to test this celebrated medicine, the now famous scientist, Dr. James W. Kidd, offers to give absolutely free a full size \$1.00 package to five hundred readers of this paper, to prove the wonderful claims which have been made for it. In making this offer the scientist said: "I know that there are many people who have been suffering for years with some chronic disease and many of them have spent large sums of money seeking a cure. I know that these people hesitate about investing money in medicine because they have despaired of ever getting well. Thousands have told me that story and many thousands of the same people have told me afterwards that my treatment had cured them after doctors and everything else had failed. I want to prove to a limited number, no matter what the disease, no matter how long they may have suffered, no matter how blue and discouraged that my treatment really and actually does accomplish the wonderful results that have been reported."

People who suffer from Rheumatism, Kidney Trouble, Stomach Trouble, Liver or Bowel Disorders, Catarrh, Bronchitis, Asthma, Chronic Coughs, Weak Lungs, Lumbago, Piles, Urinary Disorders, Female Weakness, and all other ailments which are the result of a broken down and despondent will be delighted at the effect of a few doses. This wonderful treatment creates a fine appetite and helps the digestive organs to carry on their functions as they should. It strengthens the kidneys, too, and drives rheumatism poisons from the blood as if by magic. That is why people who try it become so enthusiastic. Any reader of The Standard who will try this extraordinary medicine by its cures can obtain absolutely free a full \$1.00 treatment by simply filling in the coupon below or writing a letter describing their case in their own words, if they prefer, and mailing it today to James W. Kidd, Toronto, Canada. No money need be sent and no charge of any kind will be made. As this offer is limited, you should write at once, in order to be sure to receive your free treatment.

IT'S A DRAW AT KENOSHA.

Kenosha, Nov. 22.—Charley White and Pal Moore boxed a good draw tonight in the first bout here since the lid was taken off the game. White by some was a shade the advantage, but most of the writers call it a draw. White was the aggressor throughout and this was why those giving him the decision ruled in his favor.

Moore, however, had the advantage through two of the rounds. In the first White went after Moore hammer and tones, but Moore smiled through his mits and covered. When White stopped leading Moore cut loose with some live punches which took White by surprise.

In the sixth round Moore had White groggy, but he revived after the gong and came back strong in the next session.

KNOCKS AMES OUT.

New York, Nov. 22.—Young Mike Donovan, son of Prof. Mike Donovan, knocked out Red Ames, a local welterweight, in the third round of a scheduled 10-round bout tonight at the Olympic A. C.

Ames was no match for Donovan who staggered him in the first and second rounds with right hooks to the jaw. In the third round Young Mike scored Ames with a short right up-percut to the jaw for the count of nine. Upon rising Donovan landed another right to the jaw and one of Ames' seconds jumped in to the ring. The referee seeing the local boy was out did not count.

JACK "TWIN" GETS DRAW.

Jack "Twin" Sullivan and "Gunboat" Smith, the California heavyweight, boxed 10 rounds to a draw in Buffalo Thursday night. "Gunboat" forced the boxing, but the Twin was too fox for him and used all of his tricks to keep the Californian off.

Sullivan had the better of the fighting, but Smith was superior repeatedly and holding the Twin's face with a left jab.

Smith cut loose some swines that would have ended the battle had they landed, but Sullivan's cleverness and nimbleness made them so for naught.

Sullivan made the Californian hustle in the last round and made a rattling finish which was characterized by too much holding and Sullivan's work in the clinches.

TWO BOSTON BOXERS WIN.

New York, Nov. 22.—By consistent use of a stiff left-hand jab, Terry Brooks of Boston outpointed "K. O." Smith of this city in a fast 10-round bout tonight at the Fordham A. C.

Teddy Murphy, also of Boston, bested Johnny Key in a 10-round ro and Frankie Nolter won from Ralph Rose on a foul in the third round.

ACCEPTS THE LIPTON CHALLENGE

San Francisco, Cal., Nov. 22.—Sir Thomas Lipton's proposal for an international yacht race here in 1915 was accepted today. At a luncheon of the San Francisco Commercial Club, given in honor of Sir Thomas, the following letter from Thomas L. Miller was read to him:

"On behalf of a syndicate yet to be named, permit me to accept your challenge for a race in the 23 meter class, to be sailed here in 1915. We will meet you with a boat designed under the universal rule, built and sailed by San Franciscans, and may the best boat win."

It is estimated that the American defender will cost about \$75,000 and she probably will be named "The Nineteen Fifteen."

FRANCE TO TAKE UP BASE BALL

France is to take up baseball seriously, and the enthusiasm that the Gauls have displayed for boxing and the advance they have made in the sport, leads one to believe the game could not have a better sponsor on the European continent. Once the game really gets started in France, it would help the sport along immensely if two good major league clubs should go over and set a standard of play for the Frenchmen to strive to attain.

Japan has made such tremendous strides in mastering the game in a very few years that there is no reason why Frenchmen should not take to it just as naturally. France has mastered English Association football so well that her teams are worthy opponents in international competition; and surely baseball is a game of such intrinsic merit and so well adapted to the French temperament, that it ought to attain an equal popularity with football. The motive behind the formation of the "French Union of Baseball" is an advance in general athletic excellence on the theory that America's superiority in track and field sports is to be attributed to the game of baseball.

YALE AND HARVARD PLAY TODAY

New Haven, Conn., Nov. 22.—The highest football honors of the year among the eastern colleges, if not in the country, await the winner of tomorrow's struggle between Harvard and Yale on Yale field. The mythical and legendary rivalry between the crimson and blue for decision, after passing by every other college in the east whose eleven have come through the season without suffering defeat, except Pennsylvania. This latter college has met opponents generally regarded as of lesser calibre. Yale tied with Princeton, but Harvard defeated the Tigers.

AERONAUT MARRIED IN A BALLOON

Los Angeles, Nov. 21.—Tossed by currents of the air in which they plan to make their livelihood together, Jack O'Connell, aeronaut and Naval millitman, and Miss Stella E. Baxter, a Springfield, Mo., girl, were married today in a captive balloon. Bulging today in the gusty breeze, the vast bag of pale yellow balloon cloth, the wicker basket beneath the principals to the ceremony stood grasping the sides for support while the words were uttered that made them man and wife.

After a few minutes the drum on which the steel cable winds began to revolve and the inflated bag was steadily lowered to earth.

O'Connell, who is 21 years old, met his bride through a visit to the captive balloon.

TRIS SPEAKER HIT OVER 300 AGAINST ALL

Tris Speaker would have owned a batting average of 300 this season had he been compelled only to face the Cleveland pitchers. The player who won the American league automobile trophy made a hit every other time he went to the bat in the games with the Naps, getting 37 safeties out of 74 chances at the plate.

Detroit's hurriers were easy for Speaker. Tris running up an average of .410 against them, derived from 34 hits in 83 times at bat. He hit .395 against the St. Louis slabsmen, .392 against the Washington delivery clerks, .375 against the New York twirlers, and .323 against the Chicago curvers.

Oddly enough it wasn't Ed Walsh who was the most puzzling of the White Sox slabsmen to the speed boy. Speaker ran up an average of .353 against Comiskey's man of steel, and .000 against Frank Lange, whom he faced eight times.

Walter Johnson was no puzzle to the player voted the most valuable in the American league. Speaker making seven hits in seventeen times at bat or the Idaho phenom—an average of .417.

Speaker went hitless in only 23 of the 153 games in which he participated in 64 contests he made one hit, in 41 contests he made three, and in four contests he made four.

Speaker's biggest days with the bat were May 4, June 9, July 17 and Aug. 22, he obtaining four safeties on each of these dates. The pitchers he then faced were respectively Cashion and Akers, of Washington; Mitchell, of St. Louis; Walsh, of Chicago, and Steen and Baskette, of Cleveland.
