(McDOUGALL & COWANS).

New York, July 24—An irregular market is expected. The removal of a part of the shortage accompanied by some profit-taking has encouraged professional operators to work for a turn by reaction. The tendency to reinstate short lines should soon re-establish the short interest. The Russian dictatorship is favorable. We are not in sympathy with bearish operations and believe Republic Steel, Amn. Car and Foundry, Marine preferred, Southern Pacific, U. S. Steel, Baldwin Loco. and Ann. Best Sugar will present clared in preferred three incompany.

"LOOKING INTO THE FUTURE"

Civic pride is a wonderous thing. It makes a man respect his community and respect its laws. Imbue a man with civic pride and he is at once a loyal, useful and desirable citizen. There is not a loyal, true citizen of this community but who rejoices living within our borders but who desires to assure the future prosperity and greatness of our city. Failure of such a citizen to do his part in building forthe future of his city is not a matter of intention or indifference. In practically every instance it is a lack of knowledge.

knowledge.

The purpose of this home products movement is to show such citizens why "Buying and Boosting Home Products" is essential to the continued prosperity of the city in which he lives.

If our city is governed by the "Buy Home-Made-Goods" Rule, the news of our enlarged resources and industries and their relative values will soon be spread universally and the world outside will listen and head. Orders will pour into our city for our goods and we can meet the outside demand as well as our own on all lines, and with the best products. The best assurance we can have of future prosperity and progress is for us to adopt the rule—"Buy and Boost Home-Made Goods."

I saw your advertisement in the newspaper and the picture of a woman who had been saved from in operation and this picture was impressed on my mind. The doctor had given me only two more days to make pmy mind so I sent my husband to the prug store at once for a bottle of Lydia 2.
