Mr. Davies Thinks of Him. Mr. Davies Thinks of Him.

> Ottawa, April 25-1he House is beginning to take longer sittings with a view to bringing to a close the apparently endless budget debate. Hereafter 1 o clock or later will be the hour for adjournment, and by sitting longer it is hoped that a vote will be reached by the end of the month. Then the House can proceed to the condition of the month. Then the House can proceed to the conditions of the conditions month. Then the House can proceed to business in earnest and the end of the ber, &c., and if his party had remained in new to be said and the speeches are apt oil dearer than ever. to be dull. Now and then we have a speech from a man like Mr. John Mc-Millan who views the policy of the government from the standpoint of the farment from the standpoint of the farment and such a speech is always in-milling that the farment from the standpoint of the farment and such a speech is always in-milling to Great with the Germany, and such a speech is always in-milling to Great with the Germany and such as reduced our trade with the German ment of Social order and security insufring

> ment from the standpoint of the farmer, and such a speech is always instructive. He is able to tell just how the tariff has affected his interests and to bring the subject down to the test of experience. Most of the opposition speeches of Sir Charles Tupper and Mr. George E. Foster have not escaped this condemnation. Perhaps some sympathy ought to be felt for their unfortunate condition in being obliged to attempt to persuade the electors that the government should be turned out at a time when the country is prosperous beyond all former precedent.

Trying to make water run up hill is noth-

Neither Sir Charles nor Mr. Foster made political demonstrations yesterday. The sole contribution of the leader of the opposition to the proceedings of the House was an intimation that the opposition Mr. Davin to the Germans. would give the government their support in a liberal contribution to the famine fund in India, a matter that is attracting

Truly a Great Lawmaker. The debate on the dubget was continued by Mr. Davies of Saskatchewan, who administered a well deserved castigation done almost everything himself that has recently been achieved in the way of legislation. Among the extracts read by Mr. Davics respecting Davin was one published in a paper called the West. The After this Mr. Davin may fairly claim
