New York, Aug. 14.  
The statements of Beecher and Milton, with the cross examination of the former by the committee, are printed in full to-day, filling ten to sixteen newspaper columns. Tilton entirely fails to sustain his charges. The city journals generally agree that Beecher is acquitted of criminality, but that he has exhibited great weakness of character in allowing himself to become involved with Tilton and his friends.

John Collins, the Irish comedian, died at Philadelphia last night.

LONDON, Aug. 14.  
The Times Madrid correspondent positively confirms the reports of the recognition of Spain by England, France and Germany. The announcement caused general rejoicing in Madrid. The special from Berlin reports that Austria and Italy have also recognized the Republic.

The cricket match between the American and Surrey clubs was won by the former.

LONDON, Aug. 15.  
CONGRATULATIONS.  
The Spanish Government has thanked Germany for taking the initiative in the movement for the recognition of Spain by the European powers.

All Ambassadors in Madrid have tendered congratulations to Marshal Serrano, both upon the recognition of the Republic and the success of Gen. Moriones in his attack on the Carlists at Olveza, Navarre.

MONTREAL, Aug. 14.  
A FIRE.  
This morning destroyed a number of dwellings on Alexander street. Fourteen families are left homeless. Loss \$15,000.

DIED FROM INJURIES.  
It is reported that H. W. Baker of Newport, the express agent on the train wrecked near Richmond, died this morning; also that C. H. Hanson, who had his arms badly crushed, also expired.

THIS SUICIDE OF GORDON is to be investigated.

(Special to Daily News.)  
Another Tender Fraud—Manufacturers' Co. of Boston.

Hon. Mr. Mackenzie went West last night, and will be away a week, although the Pacific Railway Telegraph contract is not yet settled. The Citizens think that for tenders was only a dodge on the part of the Government to gain information, and it is reported new tenders will be called for before the contract is given.

HAMILTON, Aug. 14.  
The Manufacturers' meeting assembled to-day. The attendance was larger than on the day before. A great interest is shown. On the general committee, represented by Joseph Watson, Chairman, the following reports are made: It appears evident that the manufacturers almost as a unit object to the proposed Reciprocity Treaty; first, on the ground that it is a departure from the policy for many years maintained in the country of encouraging home industries, a policy almost uniformly upheld by the agricultural and commercial interests in Canada as well as the manufacturing interest.

Also, a few South Sea Sea Jacks, extra good value.
