## SAVING MEN FROM DRINK

Below I give a few words from some of the clergymen who purchased the treatment for the Drink Habit—for their parishioners. "I found the treatment I procured for a friend, did all that was claimed for it." "The treatment used was completely successful." "My friend has taken all the medicine, and says he does not need any more, he assures me that he has no desire for liquor (a case of 34 years standing)." "He has had no appetite for liquor at any time since he commenced the medicine." "The treatment has been successful—so far he has kept quite straight." "It is absolutely safe; can be taken at home; no bad results; costs less than liquor; is not surpassed in the world." All correspondence strictly confidential. Address—Rev. H. C. Dixon, Room 6, 15 Toronto Street, Toronto.
