

THE ILLUSTRATED WAR NEWS.

NUMBERS 1 TO 18 INCLUSIVE.

We have re-issued the back numbers of this paper, and now offer them to the public in book form. This volume is one of intense interest, as it contains all the numbers issued from the outbreak of the Rebellion of 1885 up to and including the return and disbanding of the troops. It will form a lasting memento of Riel's second revolt.

THE ILLUSTRATIONS ARE FROM AUTHENTIC SOURCES,

and have secured an excellent reputation for the paper. We have had a special artist with Gen. Middleton's Division from the first, and correspondents and artists with all the other Divisions.

The intense interest which has naturally been shown by the people of Canada in the Rebellion, and the numerous requests we have had for the bound volume, warrants the belief that there will be an enormous demand for this work.
