THE KEITH FAN

**Stands
First
in
Efficiency**

Heating and Ventilating cannot be made an entire success unless the efficient "KEITH" FAN is used in your Workshop or Factory.

This fan is made to meet the severest requirements of operation producing a constant temperature and varied volume according to your needs.

Built and constructed under the latest and most approved plan, the "KEITH" is a FAN which invariably fulfills these requirements, and in addition commends itself to the economical on account of its service and durability.
