Resolved, That it is expedient to provide,—

1. That in the accounts between the several Provinces and the Dominion, the amounts by which the yearly subsidy to each was increased by the Act 36 *Victoria*, Chapter 30 (as explained by the Act 37 *Victoria*, Chapter 3, as to *Nova Scotia*), shall be calculated and allowed to *Ontario* and *Quebec* (jointly, as having formed the late Province of *Canada*), and to *Nova Scotia* and *New Brunswick*, as if the said Acts had directed that such increase should be allowed from the day of the coming into force of the British North America Act, 1867, and that the total amount of the half-yearly payments which would, in that case, have been made on account of such increase from 1st July, 1867, up to and including the 1st January, 1873, with interest on each at 5 per cent. per annum, from the day on which it would have been so paid, to 1st July, 1884, shall be deemed capital owing to the said Provinces respectively, bearing interest at 5 per cent. per annum, which interest shall be payable to them as part of their yearly subsidies from the Dominion, on and after 1st July, 1884.

2. In the accounts between the Dominion and the Provinces of *British Columbia*, *Manitoba* and *Prince Edward Island*, the amounts now calculated and allowed as the debts of these Provinces respectively, on which they are now paid interest by the Dominion, shall be increased by amounts bearing the same proportion to the respective populations of the said Provinces, as ascertained by the Census of 1881, as the total of the amounts to be added under these Resolutions as capital owing to *Ontario* and *Quebec*, *Nova Scotia*, and *New Brunswick*, bear to the combined population of the four last named Provinces, as ascertained by the said Census of 1881; and the amounts of such increases to the said Provinces of *British Columbia*, *Manitoba* and *Prince Edward Island* shall be deemed capital owing to the said Provinces respectively, bearing interest at the rate of 5 per cent. per annum, which interest shall be payable to them as part of their respective subsidies from the Dominion, on and after 1st July, 1884.

The said Resolution, being read a second time, was agreed to.
