

(4 Indians) C 73613

itself was an occupied country, & was not held off from  
broods etc. but it was in the midst of Spanish poss-  
essions. & was commanded on each side by Carthage  
on E. & Porto bello on W. - (2) They forgot the ex-  
treme unhealthiness of the peninsula & the  
only reason Spaniards themselves had not occupied  
it. - Outbreak of Inf. irritate when news came  
of the two forams, due to belief that scheme was  
mad one, as that it might succeed during a golden  
harvest. extremely annoying to ~~the~~ for it embroiled  
him with Spain - 1200 colonists set forth  
in 1698 established colony of Caledonia, with  
cap of New Edinburgh. - next yr. 1300 set out  
& found ~~old~~ old lot deserted 1/2 dead other 1/2  
fled. The ~~rest~~ band of colonists were in wretched  
state of gloom & were summoned to surrender  
by Spanish fleet they evacuated the city & very  
few got back to Scot - ~~mainly due~~ irritate was  
so great that it separated to bring about separation  
of Scot from Inf. Some of causes which made Inf  
statesmen see need of constant union without  
of mere personal committee of Inf & Scot.
