I have the honour to enclose herewith copies of Agents' Cash Books, with summary, for December last, also summary of amounts credited for the same month, amounting to \$9298.⁰⁰ to the Indian Trust Fund.

With regard to Mr. Inspector Dingman's land-sale collection for Seb Vot and Vige, for November last, I beg to inform you that he states that the sum of \$1⁰⁰ reported short in connection therewith, was caused by his having to buy a draft, to cover the safe carrying of the money.

Your obedient Servant
