N.B.—Having been compiled by various hands, and, in the first instance, without reference to "The Roll of Pupils of Upper Canada College, January, 1830, to June, 1916," this Service List, it is to be regretted, is in some respects defective, in spite of the inclusion of very recent names, and in spite of the effort to incorporate in it, in the proof stage, essential items from the "Roll." Fuller details will be found for some of the men by reference to the "Roll," which contains all of the information available down to May 4th last. Copies of the "Roll" may be had by remitting \$2.00 each to the Honorary Treasurer of the Old Boys Association, John C. Wedd, Esq., The Dominion Bank, corner of Bloor and Bathurst Streets, Toronto. Corrections and additions for the Service List will be most gratefully received by the Honorary Corresponding Secretary of the Association, Professor A. H. Young, Trinity College, Toronto. It is hoped to bring out a complete List after the war. Toward this end all corrections contribute.
