

for the proposed hospital building.—Jas. Chisholm, architect, is taking tenders up to 29th inst. for brick residence to be built on Wellington Crescent.—Charles Cahill wants tenders by 29th inst. for erection of brick and stone school building on St. Mary's avenue, from plans by Samuel Hooper, architect.—The Holman Meat Co., St. Mary's street, are about to erect a brick and stone building from plans by S. Hooper.—J. Greenfield, architect, wants bids by 31st inst. for frame school house for trustees of Bourne school district No. 18.

VANCOUVER, B. C.—Building continues brisk in this city. John Morton will build a two-storey store and dwelling on corner of Nelson and Denman streets. J. Adamson is about to build a residence on Burrard street.—The British Columbia Permanent Loan & Savings Co. have acquired possession of the property on the north-east corner of Hastings and Cambie streets, and intend building thereon a fine stone structure, to cost about \$100,000.—No selection has yet been made of plans for the new high school building.—Revised plans are being prepared by Blackmore & Sons, architects, for a residence at corner of Davie and Brougham streets for Thomas Foster, to cost about \$7,500.—The contract will likely be let this week for stone and steel station for the British Columbia Electric Railway Co.—It is the intention of W. Suthers, recently from Australia, to erect a residence for himself in the west end, to cost about \$50,000.

CHATHAM, ONT.—The Radial Railway Co. have secured their charter from the Dominion Government and will proceed at once to build the railroad. The first section to be built will be from Chatham to Wallaceburg. N.H. Stevens, William Ball, and David Gordon are interested.—The Minister of Public Works has promised that an appropriation will be placed in the supplementary estimates for the erection of armouries at this place.—T. J. Rutley, architect, wants tenders by 26th inst. for erection of frame dwelling house.—A. M. Piper, architect, has taken tenders on a brick residence on Duluth street for Hugh Garrett.—The township of Chatham is about to build an iron bridge across the Sydenham river, at an approximate cost of \$15,000, plans for which have been prepared by W. G. McGeorge, C. E., this city.

TORONTO, ONT.—Plans of waterworks and sewerage systems to be constructed at Gananoque, Ont., are on view at the office of Willis Chipman, C.E., this city. Tenders close September 15th.—The time for receiving tenders for the Lethbridge sewerage and waterworks system has been extended to September 12th. Plans may be seen at the office of Willis Chipman.—Mr. Jones, Street
