

### Galt Shingles

The Roof that Protects

"Galt" Galvanized Steel Shingles protect your home from Fire, Lightning and storm.

They last three times as long as wood shingles. The fire protection alone is worth their whole cost.

Example:—If there was a fire in your neighborhood on a windy day after a prolonged dry spell and the air was filled with burning fragments of wood which the wind was blowing towards your roof, what kind of a roof would you rather have then, a "Galt" Galvanized Steel Shingle roof on which you could safely build a fire or a wood shingle roof of which every shingle is like a fagot piled ready to burn.

You cannot bank on the carefulness of your neighbors but a "Galt" Shingle roof prevents your neighbors' fire from becoming your own.
