The Provincial Mesleyan.

No. 145 Granville St.

Bur Children's Corner.

Thy Favor is Life. AIR-" Heaven is my home."

Fade, fade, each earthly joy, Jesus is mine! Break, every tender tie. Jesus is mine ! Dark is the wilderness Earth has no resting place Jeaus alone can bless Jesus is mine?

Tempt not my soul away Jesus is mine Here would I ever stay, Jesus is mine ! Perishing things of clay, Born but for one brief day. Pass from my heart away; Jesus is mine

Farewell, ye dreams of night, Jesus is mine ! Lost in this dawning bright, Jesus is mine All that my soul has tried, Left but a dismal void ; Jesus has satisfied Jesus is mine

Farewell, mortality Jesus is mine Welcome, eternity Jesus is mine Welcome, O loved and blest Welcome, sweet scenes of rest Welcome, my Saviour's breast Jesus is mine !

Mrs. Horatio Bonar, Scotland.

Our Tea-Table.

"Sarah," said Fred, laving his hand gently on his sister's shoulder, "shall I be intruding on the privacy of your thoughts, if I ask what makes you so silent to-night? What is the far makes you so such to-night. If the soldiers are constantly only water to each pound water to each pound to each po tears, too, which are now beginning to fall ?"

"rardon me, I lear I am not making myself very companionable," replied Miss B., smiling and wiping away the tears that had fallen on her and wiping away the tears that had fallen on her call it, was a boy in a red coat in a barrackroom.'

"Ah !" said Fred, "you were thinking of poor Tom C., who has enlisted, and of his widowed mother."

"I never felt so thankful as I did this afternoon that we had a mission to the army. You and marched to it. In the morning none would of fruit. cannot tell what a comfort it was to poor Bessy be allowed to go without. During the regime of C when I told her about it."

your mother, ruy poor man, no'--' That's her hymn, Sir.'--' Which,' he asks, 'this?' and quotes it again.--' Yes, Sir.'--' Indeed, then your mother was a Methodist, and she got her hymn where I got it from, from our hymn-book.' Thus a sympathy is set up between the poor sick soldier and the missionary; they fall into N. B .-- Directions for the guidance of patients

by the regular faculty in the treatment of malig-nant fevers—and more especially scalet dever in its several forms—is uncertain, for the majority of the patients, afflicted with the more severe forms of this disease, or scarlating malina—die under the n every disorder are affixed to each box. treatment of the most experienced physicians and BRUHES, &c where there is a recovery, leaves the patient often

The blood is the life i and when any foreign or unboaling matter gets mixed with R, it is at once distributed to every organ of the body. Every nerve feels the poisso, and all the with organs quickly complain. The stomach will not digest the four perfectly. The liver censes to secrete a sufficiency of bile. The action of the heart, is weakened, and so the circulation is feelbe. The lange become clogged with the poisonoise matter; hence, a cough-and all from a slight impurity at the foundain-head of life-the Blood 1. As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood by to every part, and leave its sting behind. All the passages become obsfructed, and unless the obstruction is genored, the lamp of life scon dies out. These pfils not only parify the jare, therefore, unrivalled deaf and shattered in constitution. Positive CURATIVE.-In Lr. Radway's Regulating Pills and Ready Relief we have a positive curative of each form of scarlet fever, as well as a preventive against its attack. As a proof of the

CURE FOR HILIOUS DISKASES, liver Complaint, Sick Headache, Ac. This Ants Hildow Melicine expets from the blond the hilden seeds of dis-nase, and readers all the fluids and secretions pure and fluent, clearing and readensith in will organs. Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "Mouvran Harms Pfitza," that will pass directly, to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the fluid of beauty and health. "Save a slight inaccuracy in Sarah 5 constraints to more on of the arrangements of a military hospital," "Undoubtedly I am. I consider this from the processing emarked John. "Fred," said Henry, "you spoke just now of Methodism." DALLTH. "Ind. writes: "Being afflicted with Bronchitis for the space of three years, to such an extent that I was obliged to relinquish the teaching of the Vocal Music, and filling to obtain any relief from the Physicians whom I consulted, I gave Jayne's Expector and a large variety of Fancy Wood Back, and a large variety of Fancy Wood Science of the form in Other Solution of the torus of putrid sort from the form is event white, unbleached and black hair. *Methodist Recorder.* Judson's Pills are the Best Remedy in exist-

POWDER PUFFS, in boxes from 9d to 5s acrid sloughing discharge from the ulcers, and cleause and purify them. It is this discharge from

the ulcers being swa lowed by the patient that brings on a distres-ing acrid form of diarrheea, and also irritates and caus s the running from the pos W. E. HEFFERNAN'S also irritates and causes the re and fretting of the upper lip.

HOW TO PREVENT SICKNESS .- If Radway's Regulating Pills are given, and the Ready Relief applied to the throat, chest, neck, and head, on the first symptoms of scatter or other malignant fevers or when pains in the Lead or back, sore throat lassitude or languor, wearnoss, cold chills, and vomiting take place, and the eyes become red and

Mattrasses Looking swellen, and watery discharges from the eyes and nose, the disease will be speedily arrested, and no further difficulty will follow.

caten away a considerable part of it, so that I belleve the discretize would soon reach his brain and kill him. But it yledded to my administration of your Sursaparilla, the ulcers headed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sep-sitive to the weather that on a damp day she suffered structure in the points and bones. She, too, we cared entirely by your Farsaparilla in a few weeks. I know from its formals, which your agent gave me, that the Preparation from your laboratory must be a great remedy: contequently, these truly remarkable results with it have not supprised me. Fraterabily yours. O. V. LARIMER, M. D.

Mreumatism, Gout, Liver Complaint.

A Brounnation, Goust, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1850. Dr. J. C. AYES: Sir, I have been afflicted with a pain-ful chronic R³-zamotizm for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, uptil I tried your Sarasparilla. One bottle cured me in two weeks, and restored my general health on such that I am far better than before I was attacked. I think it a wonderful medicine. J. PREAM. Thise Y. Gotchell, of St. Louis, writes : "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to mylieve me; and I have been a broken-down must The set of the set of

Schirrus, Cancer Tumors, Enlargement, Ulgeration, Carles and Exfoliation of the Bones.

the Bones. A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Pits, Epilep-sy, Melancholy, Neuralgia Many remarkable cures of these affections have been nade by the siterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Buch a remedy has long been required by the ne-cessities of the people, and we are confident that this will do for them all that medicine can do.

For THE RAPID CURE OF Coughs, Colds, Inducens, Hoarsences, Croup, Bronchitis, Incipient Con-sumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease. This is a renedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless hers to publish the svidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmostry disease, have made it known throughout the civilized nations of the seri-few are the cure of the series for some families, shows the communities, or even families, shows the REDEWI INFORMOUS the CYVIIIING ANTION OF THE SHITL. Few are the communities, or even families, among them who have right from personal experience of its effects -some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-tues that it did have when making the curse which have won as strongly upon the confidence of mankind. Won so strongty upon the confidence of matkind. Prepared by Dr. J. C. AYER & CO., Lowell, Mass.
