We print below extracts from the Washington, Pa., Reporter referring to the career of Wm. D. Inglis and Dr. John Inglis, sons of Dr. George Inglis, an old Township of Carrick pioneer, and nephews of Mr. Thos. Inglis. Many of the residents of Carrick will remember Mr. George Inglis and will be pleased to read about the success of himself and family.

Dr. John Inglis was recently married to Miss Theodora Marshall. The ceremony was performed by Rev. Robert S. Inglis, a brother of the groom. The Presbyterian Board of Foreign Missions in America has appointed Dr. Inglis chief surgeon of the An Ting hospital of Peking, China. He has also received an appointment from the Emperor of China as lecturer in the Imperial College of Peking. Dr. and Mrs. Inglis are said to be especially well fitted for the work they have undertaken and a host of friends wish them much happiness in their new home in the Celestial Kingdom.

William D Inglis, who is the coach of this year's Washington & Jefferson college football team, and who will be held responsible largely for the success of eleven, is the most popular athlete and student that has ever graduated from Washington & Jefferson—being well and favorably known to students and townspeople alike. He is a native Washington countian, having been born October 21, 1874, on the farm of his father, near Claysville, his father being Dr. George Inglis, a well known physician of Claysville, and his mother, Mrs. Jeanette (Scott) Inglis. He performed the usual duties that fall upon a lad on the farm, attending the Claysville public in the winter.

At the age of 15 he was first sent away from home to school, becoming a student at Wabash college, Crawfordsville, Ind., in the fall of '91. His brother, Rev. Robert S. Inglis, now of Jackson, Mich., was then located at Crawfordsville. The next fall Inglis, a tall and slender, white haired youth became a Senior "prep." at Washington & Jefferson. Every season since that time, excepting in '93, when he was just recovering from an attack of typhoid fever, he has been a member of the college football team. It all these five years he has played at left guard and in '96 he was captain of the team, that being the first year that Coach Wood was here and the first year that W. & J. won the tri-state championship. Inglis while with W. & J., D. C. and A. C. and P. A. C., played opposite some of the best guards of the country and he has always not only held his own, but has also caused the other fellows lots of trouble. He was re-elected captain for '97, though he stated at the time he would not re-enter college for a post-graduate course. Just before college closed in June John H. Flowers, of Irwin, Pa., was chosen to succeed him. Last fall, however, he assisted Mr. Wood in coaching and played in the games against the Pittsburg athletic clubs.

Miss Katie Fitzgibbon, eldest daughter of Mr. James Fitzgibbon, grocer, corner of York and Ridout streets, was married at an early hour yesterday, to Mr. John McShea, merchant of St. Thomas. The ceremony was performed by Rev. Father Tiernan, in St. Peter's Cathedral, in the presence of a large company of the friends and relatives of the bride and groom. Miss Maggie Fitzgibbon, sister of the bride, acted as bridesmaid, and Mr. Frank McShea, of St. Thomas, brother of the groom, was best man. After the ceremony the party repaired to the residence of the bride's father, and at 10.25 Mr. and Mrs. McShea left on a trip east. The large number of presents received by them testified to the esteem in which they are held. Among the guests at the wedding were Mrs. and Miss McShea, of St. Thomas, mother and sister of the groom, and Mr. and Mrs. Guillard, of Windsor.—London Free Press.

WONDERFUL ASTHMA RECOVERIES.

Clarke's Kola Compound Officially Tested by the British Columbia Government, at the Home for Incurables, Kamloops, B.C.—The Medical Superintendent Pronounced Long-Standing Cases Cured.

Many temporary relief asthma remedies have, during the past few years, been placed before the public, but until the introduction to the medical profession of Clarke's Kola Compound, nothing has been found to have any effect on preventing future attacks. The Medical Superintendent for the Home for Incurables in Kamloops, B. C., has availed probably the best chance in Canada to thoroughly test this wonderful remedy for asthma. He reports that on the three cases of asthma where Clarke's Kola Compound has been tried, in not a single instance did it fail to cure, and on one particular case a lady had been confined to her bed most of the time for nearly a year previous to taking this remedy, and less than three bottles have completely cured her. Over one year has elapsed, and there has not been the slightest indication of asthma returning. Three bottles of Clarke's Kola Compound are guaranteed to cure any case of asthma in Canada alone by this remedy. Sold by all druggists. Price two dollars. Three bottles with guarantee, for five dollars. The Griffiths & McPherson Co., sole Canadian importers, 121 Church street, Toronto, or Vancouver, B. C.

MR. MONTAGUE, DUNSVILLE, ONT.

Has an Interesting Chat About Dr. Chase's Ointment, HIS SUFFERING FROM ULCERATING PILES CURED.

He says:—I was troubled with itching piles for five years, and was badly ulcerated. They were very painful, so much so that I could not sleep. I tried almost every remedy heard of, and was recommended to use Dr. Chase's Ointment. I purchased a box, and from the first application got such relief that I was satisfied a cure would be made. I used in all two boxes, and am now completely cured.

Every remedy given by Dr. Chase cost years of study and research, and with an eye single to its adaptation for the ailments for which it was intended. Dr. Chase detested cure-alls, and it has been proven ten thousand times that not one of his formulas leave a bad after-effect. Dr. Chase's Ointment is based on lanoline, and the best physicians prescribe it.

Mr. M. T. Wigle, of Kingsville, Essex Co.

Cured of Itching Piles of 23 Years' Standing. Physicians Fail to Make a Cure When Dr. Chase's Ointment Gave Immediate Relief.

M. T. Wigle, better known to every one in the vicinity as "Uncle Mike," was troubled for over 23 years with itching piles. At times he was so bad he would have to quit work. The irritation became so intense with constant rubbing that they became ulcerated and would bleed. He had been treated by many physicians, but found nothing that gave him relief. Reading in the paper the cure of a friend who had suffered in a like manner, and being cured by Dr. Chase's Ointment, he procured a box. After the third application he got such relief that he had the first comfortable night's sleep he enjoyed in years. The one box made a complete cure, and he says he would not be without it for \$50 a box if it could not be replaced. Mr. Wigle is a wealthy farmer, well known in the community in which he resides. It is over two years since he was afflicted, and he has never been troubled since.
