OTTAWA RIVER.

The Latter Flays with His Opponent, and Wins by Several Lengths. London May let.—In the Hanlan Trickett race to-day Hanlan won easily by four lengths. The course was on the Thames from Putney to Mortlake. Stakes, £4,000. Tricket was backed for one hundred at an average of 7 to 2. Both men appeared confident. Hanlan was leading by four lengths under Ham-mersmith Bridge. Hanlan rowed his new Phelps and Peters boat, weighing 29 lbs. The tow path was lined as far as visible, many being ladies. There was a sharp shower at a 17.40. Trickett med his Warin boat and was stripped. Han-lan wore his usual costume. Both had a short proparatory spin. A comparison of styles was incomparably in favor of Hanlan. Hanlan had the Middlesex side. They started at 12 28. The start was good, Hanlan having slightly the best. Trick-ett led immediately afterward. Hanlan promptly rowed Trickett down at Crav-en Cottage. Hanlan was a quarter of a length clear at the Creek, took Trickett's water, and led at Barnes' filtene seconds. Hanlan's time, 27 50; Trickett's 29.33. The me embarked half an hour be-froket race. Both were much applauded. Tricket jus before the tart, appeared anxious. Final betting was five to one on Hanlan. Hanlan rowed easily at Hammersmith. There was never any doubt of the result. Accounts of the number of lengths var. DETAILS OF THE RACE.
